UTILIZING BAY OF FUNDY TIDES

Proposal Discussed by Westmorland Council — Deputation Heard.

(Moncton Transcript.)

One of the questions before the Westmorland County Council on Thursday afternoon was the proposed development of the Bay of Fundy tides.

A deputation was heard regarding the matter.

W. B. MacKenzie, C. E., of Moncton,

BITRO-PHOSPHATE IS GOOD FOR THIN NERVOUS PEOPLE

A PHYSICIAN'S ADVICE

Frederick S. Kelle, M.D., Editor of New York Physicians' "Who's Who," says that weak, nervous people who want increased weight, strength, and nerve force, should take a 5-grain tablet of Bitro-Phosphate just before or during each meal.

This particular phosphate is the discovery of a famous French scientist, and reports of remarkable results from its use have recently appeared in many medical journals.

If you do not feel well; if you tire easily; do not sleep well, or are too thin; go to any good drugist and get enough Bitro-Phosphate for a two weeks' supply—it costs only fifty cents a week.

Eat less; chew your food thoroughly, and if at the end of a few weeks you do not feel stronger and better than you have for months; if your nerves are not steadier; if you do not sleep better and have more vim, endurance and vitality, your money will be returned, and the Bitro-Phosphate will cost you nothing.

It is sold by the Ross Drug Co., in St. John and all good druggists.

**POINCARÉ TO WORK FOR MEUSE DEPARTMENT**  
Paris, Jan. 26.—Raymond Poincaré, who will retire from the presidency of the republic on February 17, desires to devote himself entirely to the reconstruction of the department of the Meuse, and will not accept a position in the government for a period of three years, so says the Eclair.  
"I don't see how you can argue that your demand for a complicated system of fares is philanthropic." "Of course, it doesn't appear on the surface," said Mr. Dustin Stax. "But my box is to keep the passenger doing mental arithmetic so hard that he will forget about the discomforts of overcrowding."—Washington Star.
