## SIXTY ADDED TO LIST THIS YEAR

Power Boat Club Thriving—Boats Number 250—Some Plans For the Season

Plans for a gala celebration on July 1 are being made by the officials of the St. John Power Boat Club. On this date the annual cruise is held and the event is one of the features of the summer season. It is customary to hold a series of races that day and this year an effort is being made to make this part of the programme the best ever. In order to stimulate interest Commodore Chesley has offered a large silk flag to be awarded as a prize for the fastest motor boat in New Brunswick, Inscribed on the flag is "Fastest Boat in New Brunswick, Season 1919." The flag is made of blue and white silk and has the club anchors on it. Any motor boat of any size or make in the province is eligible to enter this race and as a result it is felt that it will be one of the greatest motor boat races ever held in these parts. The annual Sunday service of the club will be held on Aug. 3. This is another feature which attracts considerable interest and is awaited with pleasure by the club members. At a meeting of the club last evening twenty-five men were admitted as members. This makes sixty since the season opened and the outlook is bright for many more before the summer is far advanced. At the present time there are upwards of 250 power boats belonging to the club.

## ANNUAL MEETING OF CHARLETON CHURCH

Charlotte Street Baptist Reports for Year on the Activities—Officers Elected

The annual meeting of the Charlotte street Baptist church, West End, was held last evening, with the pastor, Rev. J. H. Jenner in the chair. The meeting was opened with devotional exercises, scripture being read by the pastor and prayer offered by Deacon R. R. Freese. The reports from the various officers and committees were very satisfactory. The treasurer's report showed that all accounts except that of the building fund had been paid and there was still a small balance in the bank. The amounts raised during the year were as follows:—On the regular current fund, \$2881.78; for installing new pipe organ and necessary changes, \$1724.47; contributions towards the building fund, \$822.89; for the missionary work of the church, \$834.71; receipts of Sunday school work, \$408.02; Women's M. A. Union, \$800; Y. P. U., \$138.14; and Junior B. Y. P. U., \$85, a total of \$6769.90. A special committee was appointed to make a recommendation to the church for the payment of the balance of \$1800 on the building fund; this is the residue of an amount of \$6,000 spent about three years ago in repairs and additions to the church and Sunday school rooms. The pastor's report showed that thirteen persons had been received into the church during the year, nine by confession and baptism and four by letter. Nine members had been taken away by death, including the pastor's daughter, who had given her life while in the service of her country, (Miss Jenner died in London while a member of the Canadian nursing service)—two members, Fred Hall and George Colwell, lost their lives on the water front. There was a balance of \$44.82 in the Brotherhood Fund.

Committees for the ensuing year were elected as follows:— Trustees: R. W. Webb, W. P. Hoyt, R. L. Adams, John Nice, A. C. Gregory. Finance: G. N. Mott, A. C. Gregory, John Knight, John Trencutt, Harry Gallant. Help: Vernon Warnock, Geo. White, George Layton, Wey Hoyt, Charles Adams, Blenden Seely, Arthur Fullerton, Burgess Fullerton, Herbert Richardson, Baudston Grant, John Knight, David Maxwell. Officers elected were: Treasurer, D. C. Clark; assistant, Miss Nellie Rogers; clerk, W. P. Hoyt; auditors, P. L. Webb and A. C. Gregory. Music—William Layton, C. N. Mott, J. R. Webb and Mrs. N. P. McLeod.

### QUEENS COUNTY HEALTH BOARD

Dr. J. P. L. Brown, district medical health officer, returned today from Gagetown, Queens county, where he presided at a meeting of the sub-district board of health for that county.

In speaking to a Times reporter, Doctor Brown said that a most satisfactory meeting was held and considerable routine business transacted. He said that the new health act was being worked out successfully in Queens and the members of the board have been assured that all the finances will be met.

Including some of the business before the meeting was the appointments of medical inspectors of schools and sub-district registrars for each parish, who will have charge of the vital statistics. For the parishes of Hamstead, Dr. Jenkins was appointed and Dr. Kennedy for the parish of Cambridge. Food inspectors were also appointed to report to the board any unsatisfactory conditions regarding food. The meeting was a great success and the support of the county council has been assured the board in carrying out the act.
