MEMBERS OF THE ST. JOHN EXHIBITION ASSOCIATION MEET

Report on Finances and the Buildings — To Elect Twenty-one Directors

The annual meeting of the St. John Exhibition Association is being held this afternoon in the Board of Trade rooms. The directors met at 3:15 o'clock to approve the annual report, and the general meeting of the shareholders followed. A. O. Skinner, president, presided. The chief business before the meeting was the election of twenty-one directors and the adoption of the directors' annual report. The directors reported that, in accordance with the resolution passed at the annual meeting last year they had proceeded with preparations for holding an exhibition during the year of 1911, but owing to influences being brought to bear from other parts of the province which were planning to hold exhibitions this year it was thought best to postpone the inauguration of the annual exhibition until 1912.

Reports received from the caretaker had shown that the association's buildings were all in good condition, with the exception of the main building for the use-keep of which the city was responsible. Some slight inconvenience was experienced from the accumulation of snow in the low ground at the corner of the main building and the new horticultural hall, causing a slight flooding of the dairy department during the spring.

The financial statement, audited, which was appended, showed a balance of \$14,302.23 on hand.

The directors have fixed on September 2 to 9, inclusive, with the formal opening on the preceding Saturday, as the dates for the St. John Exhibition of 1912.

STRIKING MAP TO BE SHOWN IN ST. JOHN

Presbyterian Stations Over Which Late Dr. Carmichael Had Charge in the West

(Special to Times.) Toronto, Ont., Nov. 14.—"That's the work Dr. Carmichael laid down; no wonder it killed him," exclaimed Rev. J. H. Edmison, secretary of the Presbyterian Home Missions, as he showed a map of Manitoba, Saskatchewan and Alberta yesterday afternoon on which were marked crosses, the charges of which the late superintendent of home missions in that part of the western section of the Presbyterian church had the oversight.

"There are in that jurisdiction 418 charges, including missions and augmented charges to say nothing of all the Ruthenian work. In this there are twenty-five churches, and Dr. Carmichael was a patriarch among those people. His field covered twenty-nine Presbyterian churches of the right in the western section. Dr. Carmichael's death is a distinct loss to our whole work," said Mr. Edmison. "No man knew the west as intimately as he did."

Mr. Edmison is taking the map with him to the other men's missionary conventions, which he is to attend in Ottawa, Montreal, St. John, Halifax and Sydney, to show the extent of the work that has to be managed and supervised by the Presbyterian home mission committee alone.

Catching The Spirit of Maturity In Young Men's Clothes

The young man of today wishes his clothes to possess all the dignity and nobility of design found in those of his seniors. He emphatically resents garments that keep him (to use his own expression) "in the kid class."

His Suit and Overcoat must have gentlemanly distinction without sacrificing the spirit of youth.

A keen sense of these requirements—backed by a department that has made a speciality of Young Men's garments—and a careful choice of suitable fabrics—have given our Young Men's Suits a degree of Excellence shown nowhere else in this city.
