

The Right Hon. Robert Montgomery Lord Bellhaven, has been appointed high Commissioner to the general Assembly of the Church of Scotland.

THE STAR.

WEDNESDAY, JULY 6, 1836.

We are sure the public at large will be much gratified at learning that the Board of Commissioners for Roads and Bridges have entered into Contracts for opening the new Road from HARBOR GRACE to COCHRANE DALE Farm Road. No tenders were presented for the Bridges at BRIGUS, at Southern Gut and at Northern Gut PORT-DE-GRAVE; but the Bridges at the River Head HARBOR GRACE have been contracted for, and the work commences this day. The tenders for the CARBONEAR ROAD are under consideration.—We cannot too much applaud the spirit with which these beneficial improvements have been entered upon, and we hope the Commissioners will proceed unanimously with the great work they have begun.

We find by the Royal Gazette of yesterday, that His Excellency the Governor has issued a Proclamation directing that Courts of General and Quarter Sessions shall be holden at BRIGUS.

CORONERS' INQUEST.

An Inquest was held in this Town yesterday, before JOHN STARK, Esq., J. P., Coroner, upon a view of the body of a fine Boy seven years of age, named MAURICE CONNORS; who it appeared had fallen from the wharf of JOSEPH SUPPER, Esq., where he had been fishing on the previous evening. A respectable Jury of which Mr. PETER ROBINSON was chosen foreman, returned a Verdict "FOUND DROWNED."

In compliance with a recommendation from the Coroner and Jury, we beg most respectfully, but earnestly, to warn all parents against permitting their children to frequent the wharves and sea shore, where danger to their lives is ever to be apprehended; and we sincerely hope that the sudden bereavement with which the Father and Mother of MAURICE CONNORS have been afflicted, will prove a salutary lesson to the adventurous children who shall become acquainted with the present case.
