## POOR DOCUMENT

FREDERICTON GLOBE.

the members of the Liberal party in its suggestion for a general convention. Nearly a decade has passed since there was last a gathering of representative Liberals for the purpose of formulating into distinctly avowed principles the belief of the members of the party. Albeilef of the members of the party. Albeilef of the members of the party. Albeilef of the members of the party. The difference in climate, brought tiself. The difference in climate, br on their leaders and their representatives in parliament to crystallize from time to doffing his straw hat and thin linen coat, vatives have much reason to complain. | fear of melting. Then our friends have Yet in the multitude of counsellors there is wisdom; and it should be of great advantage to the leaders to be brought into hough there are many Liberals, they

-possibly before that date If the Libible amount of enthusiasm for six weeks name was on the list. The Liberals Probably the election will be sprung on them; they will have to contend against floods of money stolen from contractors and fried out of combinesters; the plural votes carted from constituency to constituency by railway corporations who sell this time is allowed to pass on and not until the season of navigation opens is the work of repairs undertaken; and so our their influence for immense bribes, will lose them seat after seat. If they are to win they must organize thoroughly with, in the next two years, and then rest on their arms ready for the trumpet call.

The Liberale of Canada are not in a min-plane of the canada are unable to enjoy the pleasures of the subject, or we may be apt to kick the office be to appease our feelings of vengeance. The Liberals of Canada are not in a min-

thresh out the problems before the party, and draft a series of revolutions dealing especially with the question of the day. The trade question, though the chief, is not the only matter in which reform is needed. Then with the platform fixed, work should be begun in every constituency. Where possible every nomination should be made, and the candidate selected should have charge of the preparation of the lists, with efficient com mittees to help him. A vigorous pro but only by a well-equipped army.

agricultural condition of the Maritime provinces was suppressed by the Ottawa government, has recently made public the manner in which Sir Charles Tupper Mr. Stockton's leadership, and to hold attempted to co-erce him into telling his own he must carry both seats.—St. Milinery Establishment half the truth.

Probably the election will be sprung on manufacture all the machinery as well, and yet, through criminal ugliness or Scott-Holland. He was called in to ad-

their arms ready for the trumpet call.
The Liberals of Canada are not in a minority; if their full strength is recorded on the voters lists and registered at the polls, there is not enough money at the disposal of the Government to defeat them. But political battles are not won by luck or by eloquence, but by downright work.

First let us have a convention in which every constituency in Canada will be represented. This convention should thresh out the problems before the party, learning the last way \$25,000 in prizes during the last tion and clothes are less indissolubly connected than they had been led to be lieve.

A seccessful businees man was asked by a Cincinnati Enquirer man the other day the secret of his success. Well, said he, it is all due to some good advice given to me by an old man when I was a boy. I got out of a job one time and went to my old friend for sympathy and advice. He drew his chair up to mine; and, taking one of my hands loosely in his own, said: My boy, never be discouraged. How, \$300; Jas. Baptie, West Duluth, Meronden, Varcouver, B. C., "rece the drew his chair up to mine; and, taking one of my hands loosely in his own, said: My boy, never be discouraged. How, \$300; Jas. Baptie, West Duluth, Meronden, Varcouver, and the whole and the world. Be independent. The world is a series indissolubly connected than they had been led to be lieve.
