CHATHAM, N. B. - SEPTEMBER 27, 1888

Owing to the length of our report of the King. Now, however, that a new Sovereign occupied his new Sovereign

Senator Sherman for Annexation. and France espoused the justness of its ascended the British throne. the President was retaliation against a system that was both acceptable to and Mrs. Dobson the United States. When President Europe and the French people.

countries had been a continuous warnwith each other, except by political as well as commercial union. It would be better for all if the whole continent better for all if the whole co ity and blessings of the American union. passed and became law in 1832, the counhouse and the flames soon gained the asthe Parish of Stanley. But the way to union with Canada was not by unfriendly legislation, but by friendly overtures. The true policy of the government of the United States the great mass of the electors, and the scape through the back window.

ed with the free and hearty assent of lar indignation was intense from one end both peoples. The use of any force of the Kingdom to the other. In Bristol would defeat the object. It could not the mob rose and set fire to the city and ation. Those measures looked to and generally ended in war. No greater good could be accomplished than by a wise and peaceful policy to unite Canada and the United States under one common government, carefully preserving to each its own local autonomy.

But it was in the rear window that the saddest sight of all was witnessed. There are a number of houses near by, and some eight or ten people had gathered on the first floor or stalls, so to speak, set apart for journalists, solicitors, barristers to reach the house, owing to the intense and Queen's counsels; another color for two semi-proscenium boxes, where ladies
