MEN AND THEIR WIVES. Alexander and Julius Caesar were both

Leigh Hunt was happy in his marriage, though his wife was no cook and a very poor housekeeper.

Moore got along well with his wife, in spite of his constant firtations, which, after all, may have been only word deep.

The domestic relations of both Thack-

The domestic relations of both Thack-ery and Dickens were unhappy.

Fielding, the novelist, married his maid-servant and was miserable. Correggio married beauty, wealth and appiness. Several of his madonnas have the features of his wife. Rubens was twice married, and left portraits of both his wives, with whom he lived in singular concord. Shakespeare's wife was eight years older than himself, a fact that perhaps explains his willingness to spend so much time in

Shelley's first wife was the daughter of orsaken wife committed suicide. Sidney Smith's wife was such a good cook that he calculated that during the course of his life he had eaten forty-eight Mozart was as happy with his wife as a man could be whose affections were per-petually straying, but she was forgiving, and never reminded him of his numerous

George Parsons Lathrop was born at Oahu, Hawaiian Islands, in 1851. His poem, "The Flown Soul," was written of his child, Francis Hawthorne Lathrop, Bliss Carman, the poet, is a Canadian he is at present the editor of "The Char

MULTUM IN PARMA 37 which only poets know.—Cowper. Covetous men are mean slaves and

If fame is to come only after death, am in no hurry for it.—Martial. The greatest learning is to be seen in he greatest plainness.—Wilkins. In our world death deputes intemperance to do the work of age.—Young.

All philosophy lies in two words,
"sustain" and "abstain".—Epictetus. The world is only saved by the breath

er's desires are carried out. A tenor singer should be able to sing the A above middle C (i. e., the A in the middle of the piano) with ease, and an Surke. The plants look up to heaven, from hence they have their nourishment. -

ten forty years ago. The composer, Septimus Winner, is still receiving royal-ties from it, as the copyright does not exhost to disturb your repost later on. -The best education in the world is that cot by strugging to get a living.—Wendell Phillips. Mme. Muhling, who has translated many French dramas into German, celebrated the one hundredth anniversary of her Preserving the health by too strict a regimen is a wearisome malady.—Rochebirth in Berlin April 15. She is still hale and hearty.

Mr. M. Scott, of Shieldsville, Minn., is a remarkable man. He is 103 years old, works his own farm, reads without glasses, and is probably the oldest person in the world with a head of red hair.

FROM THE OLD WORLE Glasgow, which owns its street cars, prints Scripture texts on the cheap tickets for workmen.

The dome of the palais de justice in Brussels is made of papier mache and weighs sixteen tons.

With the exception of Balaium, where weighs sixteen tons.

With the exception of Belgium, whose debt has been incurred for internal improvements, every European national debt is in great part a war debt. Autwerp's exhibition was a financial success, after all; the shareholders have been repaid the amount they invested, with nineteen per cent. additional.

stays there usually until the close of banking hours, lunching at a favorite restaurant. He sometimes walks across the big bridge.

Dr. William Elliott, of New Haven, Conn., who has just celebrated his ninety-seventh birthday, has lived under every president of the United States since John Adams, and under every governor of Kentucky except the first. He still leads a very active life and shaves himself twice a week. There are fifty-five cities in England which cremate their garbage, and as they are not run by politicians they do really cremate something besides the taxes.

Moscow, Glasgow and Ajan, on the Pacific coast of Asia, are at about the FACTS IN FEW WORDS Observing barbers declare that men with heavy beards are most apt to be bald. same distance north of the equator, but the average temperature of Moscow is 14.7 above zero, of Glasgow, 38.8 above, and of Ajan, 1.1 below. It is not illegal to deface coins, but it is illegal to deface them fraudulently. The American flag may not be used law-AT THE JEWELER'S. fully as an advertisement. "Granfather's shoe buokle" remains a favorite design in silver fancies; and square-edged and oval stick-pins and hat-pins come in this pattern. The breeches worn during the reign of Francis I. were often two and one-half yards in circumference and stuffed with bran or sawdust.

pins come in this pattern.

Lizard skin is still a fashionable leather, and the proper and costly caper is to purchase such skins entire, afterwards devising useful and pretty raticles to be made from them.

The portrait craze has given an impetus to miniature rings and buttons; these last are particularly fashionable and effective when set in rhinestone and jet.

Cameos are again fashionable; and the handsome old shell cameo brooches, in white and tan, with quaint designs of overgrown roses or classical heads, are especially effective worn with almost any costume in brown or tan.

Moon stones continue popular, and are A size in a coat or trousers is one inch; in underwear, two inches; in a sock, au inch; in a collar, half an inch; in shoes one-sixth of an inch; in gloves, a quarter of an inch; in hate, one-eighth. CHOICE EXTRACTS. Close thine ear against him that shall open his mouth secretly against another. If thou receivest not his words, they fly back and wound the reporter. If thou dost receive them, they fly forward, and wound the receiver.—Lavator. The secret of success lies in embracing every opportunity of seeking high and right ends, and in never forgetting that golden rule of the catechism, "of doing your duty in that station of life to which it shall please God to call you."—Wellington. Moon stones continue popular, and are seen in brooches, buckles, stickpins and rings. This stone is most stristic set in silver; and a recent feminine fad is to ounted in some original design. The great difference between the real statesman and the pretender is, that the one sees into the future, while the other regards only the present; the one lives by the day, and acts on expediency; the other acts on enduring principles and for immortality.—Burke.

Sorrow is not an incident occurring

TREES AND PLANTS. MONDAY, THE 81H APRIL,

AND CONTINUING ON

Tuesday and Wednesday,

OF THE SAME WEEK.

Perhaps the largest camellia in existence is at Piluitz Castle, near Dreaden, Germany. The tree is about tweny-four feet high and annually produces about 50,000 blossoms.

The "witch tree" of Nevada and southers of California exudes or axhales a phose. ern California exudes or exhales a phos-phorescent substance which makes every branch, leaf and scotion of its bark vis-ible on the darkest night.

ible on the darkest night.

For many years green glass has been used for the roof of the Kew Gardens, London. A recent experiment with white glass demonstrated that the plants hrived much botter with glass of this sint, and the green is to be discarded.
