## THE COAL STRIKE.

### Strikers' Pickets Arrested and Lodged in Jail.

### No Change in Alabama—Soft Coal Likely to be Advanced in Price.

HAZLETON, P. A., July 2.—John Showell, Wm. Gillgate, Frank Schrader and a Hungarian, pickets stationed along the road leading to the drift, on colliery of Cox Brothers & Co., to prevent non-union men from going to work, were arrested today by colliery guards and taken to jail at Wilkesbarre. It is alleged that one of the pickets drew a revolver when ordered by the guard to permit men to pass. The strikers report that the guard threatened to shoot unless his order was obeyed, whereupon Showell whipped out a weapon, which was knocked from his hand by one of the deputies. A scuffle ensued in which the pickets became involved.

BIRMINGHAM, Ala., July 2.—No steps are being taken by either the coal operators or the United Mine Workers in this district to reopen negotiations for a wage scale settlement. Both sides are quietly waiting. Several furnaces have been banked, and as the coke supply is short nearly all the furnaces will be idle by next week. The miners are orderly in every respect. They held meetings at all the camps yesterday and endorsed the action of the scale convention in insisting on the miners' demands. Most of the mines in Walker county being unorganized, there was little suspension of work in that community.

PITTSBURGH, Pa., July 1.—The Dispatch today says:—"Uniformly in the price of selling bituminous coal in the Pittsburgh district has been established and the prospects are that an advance in price will soon be announced. This was decided at a secret meeting of the independent operators tonight. The independents have finally fallen in line with the operators and the finishing touches are to be put on the agreement at another meeting to be held a week hence. This means that the Pittsburgh Coal Company, with its \$64,000,000 capital, the Monongahela River Consolidated Coal and Coke Co., with \$30,000,000, and all the independent operators in the district, representing possibly \$40,000,000 more, have entered into an compact to regulate prices. An agreement has been signed to this effect."

(Special to the Star.)  
FREDERICTON, July 2.—Inquiry into the Deaf and Dumb Institution affairs was resumed today. The whole morning was taken up with argument of counsel. A. J. Gregory and A. R. Adjourned at 1 p. m. to meet tomorrow, when the financial management of the institution will be inquired into.
