SPORTING MATTERS

BASEBALL

Don McEachern at Work.

There was only a handful of fans at Ryle park yesterday afternoon to witness the game between the locals and Hank Ramsey's Tri-County pennant chasers, but those who did travel up to the park were treated to one of the best games of the season. Both clubs played the game for all it was worth. Neither team had a semblance of an error, but the locals made their hits count and won out by a score of 1 to 0.

THE TURF

CLEVELAND RACES

CLEVELAND, July 30.—Even without pool selling the opening day of the local grand circuit races attracted a crowd of over 5,000 to the track. The M. & M. stake of \$10,000, transferred from Detroit, proved the principal attraction. There were twelve starters, Ann Direct being the favorite in the pool sold in Newburg, outside the Cleveland city limits.

SKATING

RACE AT MONCTON.

MONCTON, July 30.—At the Victoria rink here tonight Dean of St. John defeated McKinnon in a 100 yard race in 21. On the 11th lap Dean fell, and McKinnon collided with him and also fell. Both were coming in ahead, but the referee declared it no race. The officials were: J. G. Freres, referee; Lee Dickson, starter, and G. B. Willett, timer. The rink was crowded by enthusiastic spectators.

AQUATIC

SATURDAY'S RACE.

There was a meeting in the Neptune Rowing Club rooms last evening when officials for the race between W. E. Coates and Bud Nice on Saturday were appointed. The race will start at 1 o'clock (weather permitting) from a buoy off North Wharf, down to a buoy off Reed's Point and return, the course being 1 1/2 miles.

THE RING

HEAVYWEIGHT CHAMPION.

Sam Berger Stands a Good Chance for That Honor. Sam Berger seems to have a chance for the heavyweight championship. He is the first heavyweight who has shown ability enough, since Jeffries' retirement, to be picked out as a possible future opponent for the big fellow. His showing against Jack O'Brien Monday night of last week put him near the top of the list of claimants to the title.

HEARST TAKES STAND AGAINST SOCIALISM

Johns Forces With Executive of the Independence League.

NEW YORK, July 28.—The executive committee of the Independence League today accepted the resignation of J. G. Phelps Stokes from the league. In doing so, the committee wrote Mr. Stokes in part as follows: "The Independence League is compelled to express strong disagreement with you as to the renunciation of the principles of the league's constitution, and also as to the general feeling and wishes of the American people."

NEWSPAPER RUMORS AND LEGAL POSSIBILITIES.

It is reported from authoritative sources that La Presse newspaper has changed hands. According to the statements, J. N. Greenhalgh has acquired from Mackenzie & Mann a controlling interest; while another version has it that Mr. Greenhalgh is holding the control of the paper for no less a personage than the premier. The visit of Sir Wilfrid Laurier to Montreal on Wednesday, and his own conference with D. D. Stant, are said to have had to do with this matter.

RECORDED. Recorder Weir Declares Residence in Montreal Not a Parsonage.

MONTREAL, July 27.—Recorder Weir rendered judgments today in the case of the City vs. Rev. Dr. De Sola, Jewish rabbi, finding that the residence of a minister or priest could not necessarily be a parsonage, and that Mr. De Sola's residence does not come under the category of parsonages, and is, therefore, taxable. The amount due is \$128. The residence and grounds are among the finest on Sherbrooke street. "A parsonage," said his honor, in the course of his judgment, "signifies a house set apart for a church or congregation for occupation by its minister or priest as a residence. The meaning of the word does not constitute a building which may be occupied by a minister one year and a layman next, as this home may be. In the present case the property comes into possession of defendant quite casually. It does not belong to any religious corporation, and, therefore, I do not think it a parsonage within the ordinary long-established meaning of that word, or within the actual significance."
