States.

Mr. Opdyke was in favor of reciprocity as far as possible under the circumstances, in the hope of ultimately arriving at free trade; but he objected to one part of resolution recommended by the committee, viz; that our Government should require the church were founded was a private, from Digby and Annapolis, until last evening, having been detained by heavy were the administering of Communion to a dying person at that person's request). He again this morning at her usual hour.

Brevities.

Large eggs are again causing ecstacy in proverbial than their adherence to the doc resolution recommended by the committee, viz; that our Government should require the enlargement of the Canadian canals. The effect would be bad, after refusing to ask for an appropriation for the enlargement of the Erie Canal to propose to recommend action on the part of cur Governger or an open common rather than concerning to the committee, if appointed, would be admitted to his church for them to submit to any catechizing. For himself, he would preach the Gospel according to his convictions upon a street corner or an open common rather than con-

commend action on the part of our Government which would divert a portion of the Western traffic from our seaboard and aid the commerce of a neighbor to the detriment of a portion of our commerce.

Mr. Sargent, of New Haven, moved an amendment to the resolution reported by the Conference Committee recommending reciprocity "as far as possible on the basis of free trade," but omitting the clause making the enlargement of the Welland Canal obligatory on Canada. He clause making the enlargement of the Welland Canal obligatory on Canada. He said the Canadians would thus receive shut their eyes to the fact. The churches are independent, and he denied the right of the Association to erect itself into an ecclesiastical council. After a long and ecclesiastical council. After a long and ecclesiastical council. After a long and ecclesiastical council without doubt ensure a full house. This the their eyes to the fact. The churches are independent, and he denied the right of the Association to erect itself into an ecclesiastical council. After a long and ecclesiastical council, which finally disposes of the subject, being a triumph of the open communists.

Mr. Young, of Canada, wished it to be understood that the progress of Canada was not dependent upon reciprocity, though

Lectures on Ireland.

bgainst England.

Mr. Opdyke, said they refused to ask the Federal Government for an appropriation for the Eric Oanal, and they do not ask the British Government to enlarge the Canadian canals; they leave it to the State Government in each case. New York for thirteen years neglected enlarging her canals and giving the West the facilities it wanted, and now it is proposed, as New York blocks the way, to ask Canada to give them an outlet—enlarged canals and free navigation.

The original resolution was ther adort. free navigation.

The original resolution was then adopt
