The Bishop of Three Rivers and the Pope—The New Brunswick School Law to be Overthrown.

OTTAWA, Nov. 29.

Le Nouveau Monde publishes correspondence between the Bishop of Three Rivers and the Pope of Rome relative to the New Brunswick school action in which the Canadian ultramontanes are commanded to demand the disallowance of the law by Dominion Government, and are required not to vote for any Government refusing compliance with this demand. It is said that a compact exists between the Ultramontanes and Rouge by which the latter are pledged to disallowance.

$400 Damage Done the Institute—Beans at Auction.

An examination of the Institute this morning shows the damage to be even greater than was supposed last night. Nearly all the chair cushions have to be replaced, while many of the long cushions are also destroyed. The Directors are to meet Monday forenoon to decide on the amount which the committee are to be required to pay. About $400 was mentioned this morning as the probable amount of damage done to the building after an inspection by some of the Directors and the members of the committee. It is proposed to sell the beans gathered up from the floor for the benefit of the committee.

THE WRECK OF THE THREE BROTHERS.

Five Dead Bodies Found in the Forecastle of a Schooner—Other Disasters.

On the arrival of the Newfoundland coasting steamer at St. John's, Nov. 16, news came of the fishing schooner Three Brothers, which left Petite River, Nova Scotia, on the 1st of August, and had not been afterward heard of until her hull, containing the bodies of her crew, was found four miles from Newfoundland Cove, N. F. The Rev. Mr. M. F. Howley, young Roman Catholic clergyman, sent the following particulars to the editor of the Newfoundland *Morning Chronicle*:

SIR:—On Sunday forenoon, Sept. 14th, some of the inhabitants of Little Codroy River discovered the hull of a vessel boring in the trough of the waves, about three or four miles to seaward from Northwest Cove. They immediately set out in five boats toward the wreck. The day was fine, but the sea high. They boarded the wreck before sunset, and discovered it to be a schooner of over fifty tons—her register, afterward found, showed her to be sixty. On her stern, in white letters, was painted the name Three Brothers, Petite River, N. S., with a compass and square. She was laden with green fish, and supplied with all materials necessary for the prosecution of the cod fishery. They towed her ashore after three days and nights continuous labor, never letting her go all that time. Having pumped her dry they discovered in the forecastle the bodies of five men in an advanced state of decomposition. They were dressed in their oil clothes, and evidently prepared for heavy weather. They had been dead for about three weeks, and doubtless met their fate in the terrible storm of Aug. 25. The bodies were placed in deal coffins, and buried with all decency and respect in the vicinity of the English cemetery at Little Codroy River.

M. F. HOWLEY, R. C. Clergyman.

Mr. Ralph E. Morgan, who was at Little Codroy River when the hull of the Three Brothers was found, describes the appearance of the dead bodies as most appalling. The appearance of each of the dead, as far as discernible, was immediately written to the authorities at Petite River, N. S., whence the ill-fated vessel hailed from. Mr. Morgan says that some twenty Provincial and British vessels have been missing since the tremendous gale of the 29th of August at Little Codroy.

A DIABOLICAL PLOT.

An Infernal Machine Sent Through the N. Y. Post Office to Comptroller Green.

NEW YORK, Nov. 27.

When John Mallon, a messenger in the Department of Finance, returned from the Post Office yesterday morning, he carried, with other mail matter, a small box resembling a boy's paint box, which was covered with varnished paper on one side, and addressed to the Comptroller. The direction was composed of printed black letters, separately and unevenly joined. They read: "Andrew H. Green, Controler, City Hall. Private."

Ten cancelled two cent stamps surrounded the address, while from the box hung a piece of twine about a foot long. Mallon, who is an ex-policeman, had his suspicions excited, and on arriving at the Comptroller's office he handed it to Mr. Earle, the County Auditor, whom he made aware of his impressions. Mr. Green directed John Devlin, his janitor, to have the box opened. The latter carefully perforated one side, tipped it up, and powder ran through the hole. He then whittled off a part of the edge, and it was seen that the upper part was arranged with a sliding cover. The box was soaked in water, and the cover drawn out. Inside were several ounces of powder, and eighteen small metallic cartridges, loose.

Along the side from which the box opened was a row of twenty friction matches, so that the removal of the lid would ignite them. On the under slide of the lid was a square piece of sand paper. This was fastened with tacks at one end, while the other hung down, making it certain to scrape the matches in the pulling off of the lid.

VINEGAR BITTERS

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannaa, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
