FILE **11.**

Moosew, Sask.
August 24th, 1939.

Dear Sir:

I enclose herewith resolution passed by the members of Pasqua band at a meeting held on July 17th last in which they request that a sum not exceeding two hundred dollars of their band funds be used for the purpose of building roads on the reserve.

The members of the band are quite pleased that the Department has allowed funds for road building and are quite willing to put up two hundred of their own money in order that the main roads on the reserve may be completed.

I would recommend that the Department accede to this request and that an accountable cheque for wages be forwarded to me as soon as possible,

Your obedient servant,

Frank Booth,
Indian Agent.
