Hon. W. L. Mackenzie King,
Ottawa, Canada.

My dear King:-

I saw Greene and he will gladly cooperate in securing your election as non-resident member of the Century Club. If agreeable to you I will be your campaign manager. I am sure a brief campaign will be all that is necessary.

I am sending you a copy of the last Century Association report. Will you run through it and check off the names of any members whom you know fairly well. I will then write them and secure letter.

Let me again express the unbounded enthusiasm which Mrs. Reynolds and I share over your acceptance of your new position. You will do great things, of benefit, I am sure, to your own country as well as to ours.

Very sincerely yours,

JBR/W

James Bronson Reynolds
