

100000

Ottawa, 6th February, 1912.

Sir:-

With reference to your return of food supplies received and issued during December quarter 1911, I beg to draw your attention to the following:- You show a balance on hand of 1000 lbs. of bacon, if the entry in your return is correct, then your receipts should also be wrong.

You have not accounted for 1000 lbs. of any which you show as on hand at the Agency in September quarter. An explanation in this connection is required.

You have not accounted for 1000 lbs. of any which you show as on hand when making your September quarterly return. Kindly explain further in this matter.

Your obedient servant,

Asst. Deputy and Secretary.
