So many. No order is issued
unless the applicant has land.
and today to time of writing
I have issued 51 orders amounting
to \$306⁰⁰. I am understood
why a ~~man~~ ^{man} inverts on an
order, and as we have commenced
issuing orders for seed from
this spring, I am sure that
the money will be well invested
as the market will only
give seed from.

I am

Sir
Your obedient servant
