

D. Meiklejohn, M. A., says: *Shakespeare's "Sonnets" are not formed on the Italian model, and can hardly be called sonnets at all. They are really short poems of three quatrains, ending in each case with a rhymed couplet.* *The English Language*, page 205.

Read some sonnets by William Wordsworth.

7. *Which sonnets do you like best? Why?*
8. *Do you find Beauty in these poems?*
9. *Is it beauty of thought, or is it in the way the thought is expressed?*
10. *Do you enjoy reading poetry? Why?*
