

# PERMANENT CURE OF CANCER.

**Burdock Blood Bitters cured Mrs. Gilhula, of Buxton, Ont., 12 years ago, and she has had no return of the disease since.**

**S**OME 12 years ago, Mrs. Elizabeth Gilhula, wife of the well-known postmaster at Buxton, Ont., was taken ill with an obscure stomach trouble that baffled for a time the skill of the leading local physicians. At last, after a careful examination, they pronounced it cancer of the stomach, and informed Mrs. Gilhula that in the nature of things her lease of life would be short, as they knew of no remedy that could possibly cure her.

On advice of friends she commenced taking Burdock Blood Bitters. The results that followed were very little short of the marvellous.

Every day she improved in health, her strength and vigor returned and in a short time she was completely cured.

Best of all, though, Mrs. Gilhula is to-day in the full enjoyment of good health, and in all these long years there has not been the slightest return of the trouble, which goes to prove how complete and permanent is the cure B.B.B. always makes.

Here is the letter Mrs. Gilhula wrote at the time of her cure:

"I wish to bear testimony to the good which I have received from the use of Burdock Blood Bitters.

"About four years ago I was taken sick with stomach trouble and consulted several of the leading physicians here, all of whom pronounced the disease to be cancer of the stomach of an incurable nature, and told me it was hardly to be expected that I could live long. Afterward the two doctors who were attending me gave me up to die.

"Through reading your advertisement

and by the advice of some of my friends who knew of the virtues of Burdock Blood Bitters, I was induced to try it, and I am now happy to say that after using part of the first bottle I felt so much better I was able to get up out of my bed, which I had not been out of for a long time. I am thankful to state that I am completely cured of the disease by the

use of B. B. B., although it had baffled the doctors for a long time. I am firmly convinced that Burdock Blood Bitters saved my life."

Yours truly,

ELIZABETH GILHULA.

Here is a letter received from her, dated March 27th, 1898:

"I am still in good health. I thank Burdock Blood Bitters for saving my life twelve years ago, and highly recommend it to other sufferers from stomach troubles of any kind."

Yours truly,

ELIZABETH GILHULA.

Could anything be more conclusive as to the permanent curative powers of B.B.B.?

The secret of its wonderful success lies in the fact that it goes to the very source and origin of disease and clears it out of the system, root and branch, so that not a trace remains to again cause trouble.

In severe and malignant diseases, such as cancers and cancerous growths, tumors, scrofulous sores, large ulcers, even if to the bone, B.B.B. applied externally and taken internally according to directions never fails to give relief, and in most cases to effect a cure.

MRS. ELIZABETH GILHULA.
