

"Pride of the Dairy."

PATENTED SEPT. 15TH, 1870, BY THOMAS FORFAK, WATERDOWN.

THIS CHURN carried off First Prizes at Hamilton, Guelph and Montreal in 1871, competing against the churn that took the first Prizes at Kingston. It has an improved dash, and a cup on the shaft to carry air into the cream, and will produce butter much sooner and easier than the common churn. Township Rights for this and the Second Prize Churn will be sold at Ten Dollars per Township, on application, or shipped to any RR Station in Ontario on receipt of \$4.00 each, until territory is sold; also the right of the Empress Royal Cutlery, at Ten Dollars per township p. It cuts 1 1/2 bushels per minute. Apply to T. FORFAK, Waterdown, Ont. The above churn may be seen at the Agricultural Emporium, London. April, 1872.
