Successful Farmers Use **FREEMAN'S High Grade Bone Fertilizers**

They produce large crops of wheat of superior quality. Try our Fertilizer for FALL WHEAT, which is especially manufactured for that class of crops. Terms easy. Prices low.

Having used your Sure Growth Fertilizer for the past three seasons, it is with pleasure I recommend its use to others. I commenced with one ton the first season, and two years ago purchased from you two tons, and last season two and one-half tons. Always use it on fall wheat at the rate of about 200 pounds per acre, and am fully convinced I had at least one-third larger yield and finer sample than where no Fertilizer was used. Thanking you for your prompt delivery, I remain,

(Signed) RICHARD SELDON,
