HAVING more stock than we care to carry over winter, we are prepared to make exceptional inducements to those wanting Percheron Stallions or Mares, or Jersey Cattle. We have a number to select only those animals whose breeding would seem to guarantee the best results, and whose individual excellence would justify that opinion. In breeding we have followed strictly the best lines, and are confident that an inspection of our stud will convince you that we have succeeded more than usually well and can now show an accumulation of first class animals unexcelled by any in proportion of GOOD ones to total number. We have stallions for sale ranging from one to seven years old, but would call especial attention to those from five to seven years. A portion of them have been imported and raised on the balance of the year's importation. The larger number are of the first class, a few are inferior in appearance though their breeding is as good as the best and is a guarantee of the best results from their use. This is measurably true of the mares. We have a half dozen bulls and a number of cows of fashionable strain that we wish to dispose of. We will make prices on these animals that will secure speedy sale. The good ones at reasonable figures, much lower than we think the same quality can be bought elsewhere, and those of lesser merit, but whose breeding is all right, at prices very low. We also have a choice lot of good work horses, and so low that any one having a few horses to breed and wishing to improve their stock can afford to purchase. Terms will be ready to suit. The best prices ought to insure cash sales but we will extend any reasonable credit to responsible parties. Address LOG CABIN STOCK FARM, 1664 Woodward Avenue, Detroit, Mich; City Office, 4 Merrill Block.
