very difficult to get children to take
medicine, and especially Worm Re-
medic, which they often require. Dr.
Low's Pleasant Worm Syrup is not only
a reliable to take, but a safe and cer-
tain cure for all varieties of worms, in-
cluding tap worms, that produce seri-
ous disturbance with children and adults.

IMPORTANT NOTICE.
STANDARD LIBRARY FOR 1884.
STAMP OUT BAD LITERATURE!

By special arrangement just made with Funk & Wagnalls, of New York, we can
supply the Standard Library for 1884.
To all Subscribers for \$4—Postage Paid.
This offer will be good until the end of this year.
Act promptly and thus help a noble effort to circulate
GOOD BOOKS.
PRICES.
REGULAR SUBSCRIPTION per year for 26 books, \$5.70. The ordinary impos-
ters' prices for these books, cloth bound, would aggregate from \$30.00 upward.
ADVANCE SUBSCRIPTION (that is, if you subscribe on or before Dec. 31, 1883):
\$4.00; \$2.00 of which is to be paid when the first book is ready, and \$2.00 when the 13th vol.
is received.
INDUCEMENTS.
By subscribing now, you save nearly 50 per cent. of the exceedingly low price you
would have to pay for the books after they are issued in our Library.
By subscribing now, you help make the plan possible, for if friends of good reading
do not subscribe, we dare not run the risk of publishing this class of books at these low
prices.
Why we cannot give the names of the 26 Books.
1. As they are all to be new books, we do not as yet know their titles. However,
they will consist of *Travels, History, Biography, Popular Science, Miscellaneous*—all New,
Standard and Popular. Remember they will be mailed you every two weeks, post-paid,
2. It would not be politic to give the names in advance; for, if we did, those hostile
to the cheap book movement in the book trade could easily combine and cause us heavy
loss. *Our friends must take our guarantee that the books will be what we now represent
that they will be.* The present retail price of such imported books, cloth binding, as
they aggregate from \$50.00 upward. By our plan we will be able to supply three at \$4
to those who subscribe in advance; \$5 to all others. This assurance must suffice.
SEND FOR CIRCULARS AND DISTRIBUTE THEM.

Acceptance for Standard Library (26 Book Plan, 1884).
S. F. HUESTIS, 141 Granville Street, Halifax. If you publish the 1884 Series
of the Standard Library (26 Books), I will take sets of \$4 per set, and will remit
\$2 per set when notified that the first book is ready, and \$2 when the first half shall
have been issued.

HALL'S
Vegetable Sicilian
HAIR RENEWER
was the first preparation perfectly adapted to
cure diseases of the scalp, and the first suc-
cessful restorer of faded or gray hair to its
natural color, growth, and youthful beauty.
It has had many imitators, but none have so
fully met all the requirements needed for
the proper treatment of the hair and scalp.
HALL'S HAIR RENEWER has steadily grown
in favor, and spread its fame and usefulness
to every quarter of the globe. Its unparal-
leled success can be attributed to but one
cause: the entire fulfillment of its promises.
The proprietors have often been surprised
at the receipt of orders from remote coun-
tries, where they had never made an effort for
its introduction.
The use for a short time of HALL'S HAIR
RENEWER wonderfully improves the per-
sonal appearance. It cleanses the scalp from
all impurities, cures all humors, fever, and
dizziness, and thus prevents baldness. It
stimulates the weakened glands, and enables
them to push forward a new and vigorous
growth. The effects of this article are not
transient, like those of alcoholic prepara-
tions, but remain a long time, which makes
its use a matter of economy.

BUCKINGHAM'S DYE
