It's well that we honour the Past in our story,
Play it in pageant and sing it in song;
That we cherish its memories and ponder its glory,
To help us to "quit us like men and be strong"
Our task is a great one; our young growing nation
Must gird up its loins in the pride of its strength;
Now purging the follies of youth, take its station
In the vanguard of freedom and progress at length!
