

was wounded on August 3rd, 1918. He received his discharge on March 29th, 1919. When the kind of school is not indicated at the end of the first part in roman type, a public school is to be understood.

In conclusion, it is hoped that no serious errors will be found herein. The information from which the Roll has been compiled was gleaned over so long a period and from such varied and numerous sources, that mistakes are inevitable. Those that are reported to the Department will be gladly corrected on the official copy, but it is not the intention that a further revision of this Roll shall be undertaken for distribution.

R. W. ANGLIN,

*Registrar, Department of Education.*
