1,500 PEOPLE BURIED ALIVE

Awful Result of Earthquake in Russian Turkestan

Little Town -Overwhelmed and Completely **Bestroyed by Landslide That Followed** Shock—Reports Exaggerated

TASHKEND, Russian Turkistan, Oct. 30.—The little town of Karatagh, in the Hissar district of Bokhara, has been overwhelmed and completely de-stroyed by a landslide that followed the earthquake of October 21. According to the latest reports of the disas-ter a majority of the inhabitants of the Karatagh lost their lives.

The first reports of the casualties were exaggerated, the death list being placed as high as fifteen thousand Karatagh has about 2,500 dwellers, and there is reason to believe that about fifteen hundred were buried alive Among those who survived the disaster are the governor of Karatagh and his Karatagh is remotely situated and i

takes a full week for news to get ou from there, but according to on courier who has come through an en ormous section of the Karatagh mout tains, which practically hung over th town, broke loose and thundered dow upon the village, which is almost completely buried from sight. Efforts ar ing made to get in communication with the survivors and learn the actua state of affairs and to send in such re lief as may be required.
