Ed. the Parent is the best Medical School!!

That great Specific which expels the Scrofula from the system and regulates all the functions of the body, thereby preventing Fever, Consumption, Liver Complaint, Dropsy, Erysipelas, Salt Rheum, Blotches on the Skin, Tumors, Ulcers, Boils, Tetter, Scald Head, Sore Eyes, Diseases of the Kidneys, and all diseases arising from an impure state of the blood, is

DR. HALSEY'S GUM-COATED FOREST PILLS.

(A Vegetable preparation of unrivalled efficacy.)

These Pills are prepared from the best Gums in the vegetable kingdom, and are entirely free from Mercury or any other mineral poison. They are warranted to contain any Mercury or Mineral whatever. They are purely vegetable, containing the active principles of the most valuable vegetable Medicines in the world, and are so combined as to operate in perfect harmony with each other. They purge without griping, unpleasant sensation, or unpleasant taste, and may be taken at any time with safety, without confinement from business, change of diet, or danger of taking cold. They will not leave the bowels costive and the stomach in as bad condition as before. Dr. Halsey's Forest Pills act on the gall ducts, and cause a healthy secretion of bile, instead of that morbid matter from the stomach and bowels, leaving the system strong and buoyant, and bowels, leaving the system strong and buoyant, and blood clear, producing permanent good health.

Dr. Halsey's Forest Pills are unlike all others. They act directly on those vital organs on which the Stomach, Liver, Kidneys, and Bowels depend for the purities from the blood of the body and separate the impurities from the blood, while they cleanse all bilious and morbid matter from the stomach and bowels they cleanse the blood, thereby destroy the seeds of disease. The Forest Pills do not weaken, but give strength, and assistance to both body and mind. The Pills do not cause griping or any inconvenience whatever, and the patient is better able to attend to business while under their influence than before taking them. They are mild in operation, yet powerful in restoring to perfect health.

Dr. Halsey's Forest Pills have done for the past and are effecting at the present time, more for the relief and cure of the afflicted, than any other remedy ever discovered. Thousands can testify to this in their friends and the public. Invalids in search of health and strength in almost every part of the country have testified to the world in favor of their great claims to saving diseases.

Testimonials after testimonial showing their great powers of curing in all and every class of diseases have been handed to us by individuals of unquestioned character and responsibility. The following is strictly true from a respectable and reality talked building near Utica, New York:—

UTICA, November 9, 1849.

Dr. G. W. HALSEY,—Sir, for several years back, I have had much trouble in my family, with Bilious Disorders and Acute Attacks of Fever. In the fall of 1848 I was taken with a severe attack of the same, which I considered would prove fatal. I employed a Physician. But at this time having two bottles of your Forest Pills in the house, I thought I would try them. I gave to each of them. Pills were four hours after I gave them they began to operate, bringing away large quantities black and foul matter. On the following day the fever had left them, and they continued without any fever or sickness. Since this time I have always kept them in the house, and will say to all persons in want of Pills of the kind, and to all those who have used them with the most perfect results.

NOTICE TO THE PUBLIC.

In 1840 Dr. Halsey's Pills were first made known to the public, under the denomination of "Dr. Halsey's Sugar-Coated Pills." Their excellent quality soon gained for them a high reputation, and a constant sale, of many thousand boxes. This success caused the system of designing many, who commenced the manufacture of counterfeits, advertising coated with Sugar, to give them a fair appearance of the Genuine, in order to sell them under the name of Dr. Halsey's Pills, and thus impose upon the public.

This is to caution the public against purchasing any Pills purporting to be Dr. Halsey's Pills, unless they are enveloped in a wrapper, bearing the signature of the Proprietors, and the name of the Pills blown in the glass of each bottle. Also, see that the label of each box bears the signature of G. W. HALSEY.
