THE HOLD-UP AT OTTAWA
 The spectacle at Ottawa would be
 amusing if not so sickening.
 Car Laurier and his hungry pack
 are trying to make believe that they
 are holding out for some high prin-
 ciple, when everybody knows that all
 they really desire is a chance to get
 back to office.

Sir Wilfrid cannot yet rid his vain
 old head of the idea that it is abso-
 lutely essential for him to be First
 Minister, and that he got his knock-
 out blow in September when he
 wasn't looking.
 The truth is that he and his asso-
 ciates got that welt because, in the
 language of President Taft, the Re-
 ception lodge was a scheme to make
 Canada "only an adjunct of the Uni-
 ted States."

The white-plumed knight and his
 ill-advisers are still sticking to that
 scheme.
 If they couldn't win on it then,
 how can they hope to do so now,
 especially with their opposition to a
 direct navy grant on behalf of the
 Empire added?
 Meanwhile, some means should be
 devised to prevent such wanton and
 senseless obstruction as that now in
 progress at Ottawa. Nobody wants
 to see discussion obliterated, but it
 should certainly be kept within reason-
 able bounds.

A to a general election, well, if it
 comes, Canadian history will have to
 record for the Laurierites the worst
 showing ever administered to any
 party in this broad Dominion.

THEY'RE AFRAID OF ENQUIRY
 The attitude of the Liberal party
 in Parliament continues to be one of
 timidity toward investigation. Every-
 body remembers the manner in
 which the former government and
 the followers resisted all efforts
 at investigation made from time to
 time by the then Opposition. This
 time they took the form of a block-
 ade of the Public Accounts Commit-
 tee and of refusing papers and infor-
 mation and voting down resolutions
 on the floor of parliament. Since
 the change of Government transac-
 tions which took place during the
 last few days of the Liberal regime
 have been under enquiry. In the
 course of these enquiries the Miller
 case.

The attitude of the Liberal oppo-
 sition in regard to the Miller case
 suggests the attitude of the Liberals
 in regard to investigations generally.
 Edward C. Miller, former president
 and manager of the Diamond
 and Heating Company
 in Montreal, refused to give the
 Public Accounts Committee details of
 his expenditure of \$41,026 made on
 his own admission in obtaining busi-
 ness for the company from the govern-
 ment, amounting to \$117,000 and
 for others amounting to about \$2,
 000. He was called to the bar of the
 House and again refused, his coun-
 sel objecting that to answer might
 incriminate his client. Again brought
 to the bar this reason was withdrawn
 and Miller's counsel—a different man
 this time—gave as the ground of re-
 fusal the one given by Miller be-
 fore the committee, that an answer
 might prejudice existing litigation in
 Montreal. It was also stated that the

due as it is of the present Govern-
 ment."
NOTES AND COMMENTS
 The two Brants.
 We got 'em and we're going to
 keep 'em.
 And the rest of the Empire must
 feel heartily ashamed of the Liberal
 hold-up artists at Ottawa.
 No doubt Sir Wilfrid Laurier is
 having the time of his life. When
 that autocrat can't rule he seeks to
 ruin.
 Get ready! This fight at Ottawa
 is not a sham-fight.—Toronto
 Globe.
 No, but the real word rhymes with
 sham.

The German Emperor has an-
 nounced that he is going to fly over
 Berlin. And that won't be his first
 air ascension by a long shot.
 A girl in the States is seeking to
 recover \$25,000 because, without her
 consent, her photograph was given
 newspaper publicity. As to that,
 some of them ought to pay about
 \$25,000 to get in at all.
 Johnny Canuck will hand the Lib-
 erals a wallop next time which will
 make members of that side send hur-
 ry ambulance calls for the removal
 of the crop of wounded feelings to
 the various hospitals.

If there is to be an election, the
 Grits in North and South Brant had
 better get busy right now to hunt a
 couple of lambs for the sacrifice.
 Now, you faithful swallowers of any-
 thing and everything, don't all bleat
 at once.
 In Wichita, Kansas, some five hun-
 dred suffragettes had twenty-one can-
 didates for municipal office lined up
 before them. Then said lords of crea-
 tion were made to tell what claims
 they could advance for election, and
 they were also severely cross-exam-
 ined.

Pretty soon no mere man will be
 able to part with a sneeze unless he
 first obtains the permission of some
 woman.
 Says the Hamilton Herald (Inde-
 pendent):
 The gift offered by Canada would
 be a free gift, a voluntary offering.
 Moreover, it is not proposed that
 the ships shall be handed over un-
 conditionally to the British Admir-
 alty; they are to be subject to re-
 call to Canadian waters whenever
 the Canadian naval department
 may need them. They are to be in
 reality a Canadian auxiliary force
 in the Imperial naval service. How
 the autonomy of Canada can possi-
 bly be threatened by an arrange-
 ment such as that can be perceived
 only by one who is half-crazed
 with partizan spirit.

SHE TOOK HER FRIEND'S ADVICE
 And Dodd's Kidney Pills Cured Her Son.
 Straight and Simple Statement Tells of Another Grand Cure by the Old Canadian Kidney Remedy.
 SPRINGHAVEN, Yarmouth Co., N.S., March 3.—(Special)—Simple and straight to the point is the statement of Mrs. Erven C. Treffy, of this place, but it tells of another grand cure by Dodd's Kidney Pills.
 "My fifteen-year-old son Angus," Mrs. Treffy states, "suffered from pain in his back, headache, and a pain over his eyes."
 "He was so bad he could not walk across the floor. My friends advised me to give him Dodd's Kidney Pills. They cured him."
 That young Treffy's kidneys were wrong is evidenced by the cure. Dodd's Kidney Pills only cure dis-ordered kidneys. They never fail to do that.
 The reason they cure rheumatism, backache, gravel, dropsy, Bright's disease, diabetes, and kindred diseases, is that these all spring from disordered kidneys.
 If you haven't any of these diseases you haven't tried Dodd's Kidney Pills. Ask your neighbors. They'll tell you Dodd's Kidney Pills always cure them.

BETTER THAN SPANKING
 Spanking will not cure children of wetting the bed, because it is not a habit but a dangerous disease. The C. H. Rowan Drug Co., Dept. 201, Chicago, Ill., have discovered a strictly harmless remedy for this distressing disease and to make known its merits they will send a 50c package securely wrapped and prepaid absolutely free to any of The Courier readers. This remedy also cures frequent desire to urinate and inability to control urine during the night or day in old or young. The C. H. Rowan Drug Co. is an Old Reliable House. Write to them to-day for the free medicine.
 Cure all the afflicted members of your family, then tell your neighbors and friends about this remedy.

What the Other Fellow Thinks.
CITIZENS OF THE EMPIRE
 Toronto News.—Castling facts to the winds, the sorest of the Liberal newspapers reiterate the falsehood that the Borden naval policy robs Canada of a portion of her autonomy and degrades the country to the position of a province or dependency. Such mis-statements scarcely require answering. Are not the proposed super-dreadnoughts to be built on the express order of the Canadian Government with money voted by the Canadian Parliament?
 Is it not stipulated that the ships are to remain the property of the Dominion. They will be at the disposal of the Admiralty in the impending crisis, but will be subject to recall at any time for use as the nucleus of a Canadian naval force. It is not also true that as a result of Mr. Borden's initiative Canada is at last to have a voice in the control of Imperial affairs to which its rapid rise in population, wealth and prestige now entitle it?
 It is not therefore the fact that the Prime Minister, instead of narrowing is greatly extending, enriching and ennobling the status of Canadians as citizens of a world-wide Empire? Can anyone deny that once the Borden measure is in operation we shall be able to stand erect as real defenders of and sharers in the finest heritage ever vouchsafed to any race of men? In short, we will become world-citizens with authority in world affairs and an equal voice with the home born British people in fashioning the temper and shaping the policy of the Empire.

MOST BEAUTIFUL EASTER PRESENT!
 The Mysterious, Luminous Crucifix or The Cross of Eternal Light.
 The most marvelous mystic wonder of the twentieth century. Our Saviour nailed to the Cross, a beautiful and marvelous work of art, that has mystified the whole world with its startling luminous effect, which is everlasting. The figure of Christ as well as the Cross itself are of imitation marble material, showing WHITE in daylight and in a GLO-RI-IOUS, LUMINOUS, MYSTIC LIGHT at NIGHT IN THE DARK-EST! Remarkable! The greatest work of art ever known to science. It is indeed a glorious and most precious article of true devotion. Science has long been puzzled at this mysterious work of art.
 There are two different sizes: The larger one (11 1/2 by 6 inches) has been reduced to only \$2.00 from the original price of \$10.00, and the smaller one (4 by 8) from \$5.00 to but \$1.00, in order to enable every Christian family to have one in their homes. The Cake that's worth the Candles
 Take off the candles. Cut into generous pieces. Now the feast's begun!
 The delicate texture, the honey-gold color, the rare flavor—all join to make the finest treat that ever took the form of cake.
 They won't let you wait 'til another birthday to make another cake like this.
 Rainbow Flour certainly does help in cake-making. Yet that's not surprising when you consider that it is the quality leader among flours. Only the rarest nutriment of the high-grade Manitoba Spring Wheat is eligible for Rainbow Flour.
 Every cake will be worth a celebration when you begin the use of Rainbow Flour. Just try some.
 In using Rainbow Flour for pastry, more water (added slowly) is required and less flour.
