MANAGEMENT COMMITTEE
The Management Committee of the Board of Education meets to-night in the city hall.

NUPTIAL NOTES
On July 10, Rev. T. B. Jenkins, of St. Jude's Anglican Church, united in marriage Elmer Salisbury and Louise Adams, both of this city.

NOT THE SAME
Mr. Fred Johnson of the Verity Plough Company is not the Fred Johnson who figured recently in police court proceedings.

BOILER INSPECTION
Mr. W. E. Stuart, Inspector for the Insurance Company of Canada, recently inspected the city's steam road roller and the steam shovel. Both were found in fairly good condition throughout. As required by law, certificates have been sent to the Factory Inspection Department.

THE MARKET
A small market was in evidence this morning. Little business being done. Lettuce was the principal vegetable on sale; strawberries were also more or less common. Cherries appeared here and there, though not in very large quantities.

POLICE COURT
Three adherents of the doctrines of Epicurus—the second rule in paragraph—appeared in the police court this morning as a result of their convivialities. Two, being common, or garden drunk, escaped with the usual penalty; the third, A. Bomberry, an aborigine, was fined five shillings.

SERGEANT DAVIS WOUNDED
After considerably more than a year in the trenches, Sergeant A. H. Davis of the 4th battalion is now reported wounded for the first time. Sergeant Davis enlisted in Brantford in August, 1914, being unmarried and a carpenter by trade. His father and brother are also at the front, as well as a brother-in-law and many other relatives.

Eye strain makes your nerves work overtime about

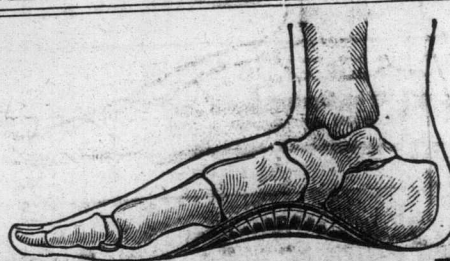

All the Time

Is it any wonder it causes headaches? Learn more about this trouble and its remedy at
