The Freshman class had their annual sleigh-ride to Windsor on Wednesday evening and the Sophomore to the same place last night.

The annual meeting of the Acadia Dairy Co., Limited, will be held at the Board of Trade rooms next Monday afternoon at 2 o'clock.

The Team

On Tuesday evening the Acadia basketball team defeated the Yarmouth Y. M. C. A. in the College gymnasium, by the score of 54-12.

Miss Emma Schofield met with a painful accident last week in falling on the sidewalk and fracturing her hip. She has since been confined to her bed.

The congregation of St. Andrew's church was favored on Sunday morning last by a delightfully rendered solo by Miss Frantz, vocal teacher at Acadia Seminary.

PIANO FOR SALE.—A bargain may be had in a superior Mason & Ritchie Piano. Apply to B. W. CHEVILAND.

The carnival this evening in Evangeline rink promises to be a decidedly interesting affair. A number of very pretty and original costumes are expected. There will be plenty of good music by two bands.

The W. C. T. U. business meeting will be held at the home of Mrs. E. O. Davidson, Summer street, Friday afternoon, February 9th, at half-past three o'clock. All members are requested to be present.

Money Loan

The Royal Bank has increased the size of their property by the purchase of the balance of the lot from Dr. Bowles. This will allow the placing of the new building to better advantage. Work will be begun as soon as spring opens.

Money to loan on approved real estate security. Apply to E. S. Crawley, Wolfville, N. S.

On account of the illness of the pastor on Sunday last the pulpit of St. Andrew's church was acceptably filled at the morning service by Mr. Charles Britten, of the theological department of Acadia, and in the evening by Mr. Roy Balcorn, a member of the senior class.

A perfectly fitting gown is much admired by everybody. This is the kind we make. BOATMAN & CO.

The Wolfville Orchestra will render appropriate music at the Opera House to-night. Four reels of special films will be shown one of which special notice should be made, 'Lost in the Jungle' by the Selig Film Co., which is absolutely the most thrilling and phenomenal animal picture ever produced.

'LHAIN-O-L

Mr. J. G. VanBuskirk has taken a space in THE ACADIAN this week to call attention to his facilities for producing men's fashionably-made suits, overcoats, &c. His new spring stock is now coming in. During his career in Wolfville Mr. VanBuskirk has won a reputation for good work and fair business dealings.

Miss Burns desires to thank all friends for their kindness in helping to save furniture, and in extinguishing the fire that so seriously injured her house on Monday evening, February 5th. Especially would she express her gratitude to members of the Salvage Corps and the College students who so materially assisted on that occasion.

FOR SALE.—New Home Sewing Machine. Will be sold at a sacrifice. Apply at once to THE ACADIAN.

The lecture given in Temperance Hall on Monday evening by Rev. R. F. Drake, pastor of St. John's church, was a very interesting one. The topics of England was the subject and a fine idea of the old land was presented. A note of England him sent, the lecturer was able to view that country from the standpoint of a Canadian through many years spent here. Mr. G. M. Peck presided and at the close a vote of thanks was moved by Rev. M. P. Freeman and unanimously passed.

Special Programme

On Monday night a serious fire occurred at Miss Burns' pretty residence on Westwood avenue, occupied by Prof. Fletcher and family. The fire was discovered about nine o'clock and an alarm was at once rung. Originating in the cellar the fire worked its way between the partitions to the second story and had made considerable progress when discovered. A number of College students and neighbors did good service in removing the contents of the house which were mostly saved. The house was filled with smoke when the firemen arrived and soon had two good streams of water playing on the fire which could only be reached by cutting through the roof. The fire, which was a most persistent one, was finally overcome, and the dwelling saved in a badly damaged condition. The loss was covered by insurance.

Those who have taken advantage of the Great Reductions we have been offering do not need to be told to come again. But those who have not yet come get busy, as we are planning on making these two last days the biggest yet. Come and see us. Our counters are filled with bargains.

C. H. BORDEN WOLFVILLE.

"Suffer Little Children."

Those who see nothing beautiful in a child must have something wrong inside them. Here is a Vitagraph picture of an old fellow who preaches love and practices harshness to his children until he is awakened to a realization that God is love and children are His Kingdom. He opens his heart and takes his own unto himself, becomes a little child, born again into the realm of happiness and love. All who see this beautiful photo play will do themselves a service and they will be blessed if they take it to themselves. It will be projected on the screen at the Opera House to-night, accompanied by appropriate music, which is a noticeable and delightful feature of this charming theatre.

A Musical Success.

Those who attended the song recital at the opera house last Friday evening by Miss Margaret Vereker, the talented English contralto, enjoyed one of the finest musical treats ever heard in Wolfville. The attendance was not as good as it should have been. Wolfville people frequently make this mistake when a really good thing is afforded. The program presented was an excellent one including selections from all the leading composers, and was rendered in a most delightful manner. Miss Vereker has a sweet and powerful voice and her rendition is perfectly free from affectation which frequently spoils an otherwise good singer. Miss Vereker was assisted as accompanist by Harlan P. Davison, of this town, whose presentation of a very difficult program was very highly complimented by Miss Vereker.

FOR SALE.—Two houses situated on Gasperus avenue. Apply to Miss G. B. Robinson.

Personal Mention.

Mrs. Daniel Borden, Town Plot, is spending the winter at Palo Alto, California.

Mr. J. C. Bishop spent a few days at Middleton this week, a guest at the home of his son-in-law, Rev. Mr. Poole.

Mr. A. deW. Foster, M. P., made a brief visit to this county last week, leaving on Monday morning to return to his duties at Ottawa.

Mrs. Kenneth Hilsley, of Edmonton, Alta., is visiting at the home of her husband's parents, Mr. and Mrs. G. H. Hilsley, Port Williams.

Mr. A. J. Pisco, formerly of this town, at one time principal of the Wolfville public school and afterwards publisher of the New Star newspaper here and at Kentville, has entered the ministry as pastor of a Unitarian church in Winnipeg. Mr. Pisco has recently been engaged in the teaching profession in British Columbia.

Mr. Ralph L. Fuller, of the militia department, Ottawa, who has been spending some months here on account of ill-health, left on Saturday last to return to Ottawa, his leave of absence having expired. Mr. Fuller's many friends are all glad to know that his health is very much improved. He hopes to have his furlough extended for a few weeks more before finally returning to work.

Berwick.

On Sunday evening last a Union Service was held in the Baptist church in the interest of the Temperance Alliance. Rev. D. E. Hatt preached a very eloquent and impressive sermon from the text, 'What is Truth?'—John 18, 38. The combined choruses gave a finely rendered anthem, and a female quartette sang very sweetly, 'In that Beautiful Land.'

The large audience assembled in Victoria Hall Monday evening enjoyed a rare literary treat, in the Drummond recital, by Rev. D. E. Hatt. Mr. Hatt has a fine insight into the characters of Dr. Drummond's poems, and his portrayal of the characters in the humorous numbers of Johnny Courteau, 'Getting On,' and 'Domique,' as well as in the more pathetic ones of 'Dreams,' 'The Long Box,' and others was very clear. Mr. Hatt stands among the best of our platform orators. We should miss the opportunity of hearing him.

Mrs. Southerland, of Vancouver, is visiting her brother, Mr. Homers Masters, Commercial street.

A number of the young people, chaperoned by Mrs. Geo. Butler, enjoyed a sleigh drive to Kentville a few evenings ago.

Mr. and Mrs. S. C. Parker leave this week for Ottawa, to visit Mrs. Parker's brother.

We understand that Mr. W. N. Keady has again purchased the 'Old Homestead' hotel, so that it is again opened to the public.

Mr. Holmes, a student of Kings College, took the services in 'Christ Church' last Sunday, in place of Rev. Mr. Parlee, who is not in very good health at present, and is now on a visit to friends in St. John.

Miss Lillian Forrest is, since the Christmas term, a student at Mt. Allison, Sackville, N. B.

The W. C. T. U. are preparing for an entertainment to be held in 'Forester's Hall,' on or about the 14th of February.

Mr. and Mrs. Beel were guests of their cousin, Mrs. Arthur Reade, over Sunday.

Mr. A. A. Ford, who has been very successful in the work of organizing the 'Independent Order of Foresters,' is travelling again this winter in the interests of that order.

An Order of the 'Canadian Court of Foresters' has lately been organized in Berwick. The officers are to be installed this evening after which all the members, through the kindness of Dr. McKinnon, are to enjoy an oyster supper at the restaurant.

The Colonial Stock Company.

The above company will open a three nights' engagement in Wolfville, commencing Monday, Feb. 12th, at which time they will offer the Standard Repertoire of A. F. P. Farwell, 'The Marriage of Kitty' and 'A Wife's Peril.'

The Colonials are too well known to require extended comment. The company is practically the same as when they appeared in Wolfville last Exhibition week, at which time the Colonials broke all records.

The Colonial Stock Company have won a reputation through this part of the country for well staged, clean and wholesome plays; a reputation which is enviable and makes them easily the favorites of the Maritime Provinces.

Baby's Health in Winter.

During the winter months the mother finds it very difficult to keep her little ones well. Colds come on quickly and the discomfort to the baby affects the whole household. To keep baby well during the winter he should be warmly clothed, have a daily bath, lots of fresh air, and Baby's Own Tablets should be given him occasionally to keep his little bowels working regularly, as nothing will bring on colds so quickly as a clogged condition of the bowels. Baby's Own Tablets are the best medicine a mother can give her little ones. They break up colds, cure constipation and indigestion, expel worms and make baby bright and happy. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Correction.

It has been commonly reported that the fire in Prof. Fletcher's residence was caused by electric wires. Permit me to say that the only persons in Wolfville, known to me, who are qualified to give opinion in the matter have examined the ruin and are satisfied that such was not the case. I wish further to assure timid ones that it is utterly impossible by any accident or act of deliberate vandalism by men or rats to cause a fire with electric wires in any building where wires are properly installed, which was the case in Prof. Fletcher's residence. C. M. GORMLEY.

Blank Notes.

Last Saturday morning the H.C.A. hockey team defeated the Halifax Academy by the score of 6-4.

On Monday night after the Wolfville-D. B. C. A. game, the Canaan and Hantsport hockey teams played a game, which resulted in an easy win for Canaan to the tune of 13-0.

Don't forget the Mammoth Fancy Dress Carnival to-night. Kentville and Berwick bands will be in attendance.

The rink management have extended a part of the west gallery out over the ice, thus forming a fine bandstand. This will be a great improvement and will add much to the efficiency of the music.
