Fill Stomach With New Energy

Weak, Worn Out, Gassy, Sour Stomach Revived and Made to Enjoy Food With Stuart's Dyspepsia Tablets.

Convince Yourself With a Free Trial Package.

Most of us eat three times a day and often forget that each meal should be disposed of in the stomach to make room for the next. The failure of the stomach to do this is called indigestion or dyspepsia, with its sour risings, gas, rumblings, pain, depression and the feeling of stuffiness when breathing is most difficult.

The most effective remedy and the most reliable one, because you can get it at any drug store in the United States or Canada, is Stuart's Dyspepsia Tablets, at 50 cents a box. Instead of depriving yourself of food or going on a starvation diet, simply keep on as you have and let these tablets straighten out your stomach, digest the food and keep you in the fight. Send for a free trial package and prove how wonderfully and quickly effective they are. Mail coupon below.

"Consider Only the Best"

The piano question is peculiar in itself. Everything about a piano is vital to its tone or life and a weakness anywhere proves eventually to be like the bad apple in the barrel. In other words, there can hardly be a "pretty good Piano." It is either good, or it is not good.

The Gerhard Heintzman

"CANADA'S GREATEST PIANO"

has no weak feature. It has a construction, tone quality and design that eminent musicians, music lovers, —yes and competitors look to with respect.
