SKATING PARTY

A Delightful Social Event on
Monday Night

FINE SUPPER

At Sharpe's Restaurant—
About Twenty Couples
Present

The ice in the rink was somewhat crowded on Monday night, due no doubt to the presence of a large skating party, who at the close of the rink repaired to Sharpe's Restaurant for refreshments.

About forty ladies and gentlemen partook of the sumptuous repast prepared by Miss Host Sharp.

Mr. H. Wilson, the toast master, presiding at the head of the table proposed "The King," to which all rose to their feet and sang the National Anthem.

The next toast, "The Ladies," was responded to by Messrs. Boop, Morton and McCarvell, and "The Gentlemen" by Miss Richards.

These were followed by a piano solo by Miss Mowat and singing by a number of the gentlemen.

This very enjoyable evening was brought to a close by singing "The King"

SEVERE STORM.

Many Trains Cancelled—
Others Hours Late. Severe
in Eastern States.

Boston, Jan 3—One of the worst storms so far this winter raged to-night. Blown by a high northeast gale, snow sleet, hail and rain swept from Eastport to New York and at 8 o'clock to-night the cold wave over the lakes was also beginning to make itself felt.

Moncton, Jan 3—Heavy storm which set in last evening is being severely felt along the I. C. R. and great difficulty is being experienced in moving trains. About a foot of snow has fallen. The heavy wind which prevails is whirling the snow in all directions, and piling up drifts in many places. All freight trains east and west specials are being run over the road to keep the line open.

New York, Jan 4—New York City and all the surrounding country, to-day was in the grasp of the most severe storm of the winter. Traffic of all kinds was hampered, trolley lines were tied up and the street swept by a gale driving before it fine snow that cut like sand and piled in great drifts which were practically impassable. Railroad trains from all points were delayed from a few minutes to three hours, and elevated lines were operated with the greatest difficulty without regard to schedule.

The northern sections of the I. C. R. were not seriously affected by the storm, but all regular trains were late. The accommodations from Moncton due at 17.30 did not arrive here until 2 o'clock this morning. The Maritime Express from Halifax was over four hours late.

NEW HOTEL OPENED

Thos Foley's New Hostelry
A Credit to North Shore

OPENED ON MONDAY

Crowds Thronged Corridors
and Rooms While Orchestra
Played Sweet Airs

Most auspicious circumstances marked the opening of Newcastle's new hostelry yesterday. All day long representative crowds thronged the corridors of the Hotel Miramichi. It was a magnificent tribute to a magnificent man in a magnificent way.

The handsome new hotel was inspected throughout and surprise and delight were expressed by all. The general verdict was that the new hostelry is a credit to the North Shore and a lasting monument to its builder, Thos Foley.

About three o'clock Copeland's orchestra gathered in the music room of the new house and played until after eight o'clock. Between five and seven o'clock, what was perhaps the most elaborate dinner ever served on the North Shore was partaken of by nearly two hundred people. The Mayor and Aldermen were the first to sit down and the name of Mayor Brown was the first on the hotel register and directly beneath it was that of Town Treasurer Aitken. The dinner, to use common jargon was "bang-up". There was absolutely nothing to be desired. Roast turkey, plum pudding, mince pie—all were there and in the best style imaginable.

Chatham was well represented in the throng and there were many

OBITUARY

John Murray a Native of
New Carlisle passes
Away at Charlo.

John Murray who was one of the oldest residents of the county of Restigouche, being eighty nine years of age died on the 24th December last, at Charlo, where he and his wife resided during the past twelve years.

He came to Dalhousie in this county when a boy with his parents from New Carlisle in the Province of Quebec where he was born in the year 1815. His occupation was that of a lumberman and he was well and favorably known among the lumbermen along the upper waters of the Restigouche River, until he removed to the Western States where he remained eighteen years after which he returned to his adopted county of Restigouche and purchased a farm in the vicinity of Charlo Station, after which in the year 1892 he married Janie Anderson of Belledune.

During the last four years of his life, owing to his advanced age being very weak and infirm, though his health remained good, he and his wife retired from the care of the farm, and being relieved of such care, they removed to another residence where they lived with more ease and comfort.

A few days before his death all his strength suddenly left him and he was unable to rise from his bed, though not suffering any pain. He sank lower and lower, and on the fifth day he peacefully passed away, being fully assured that he was exchanging the troubles of this life for the joys of the next.

Preparatory to the removal of the remains for burial in the Presbyterian Cemetery at Dalbousie a funeral service was held at the house where he died, the service being conducted by the Presbyterian minister of Dalhousie the Rev. Mr. Leck. The pall bearers were Charles Stewart, Thomas McKenzie, Thomas Craig, James Alexander, William Craig and Geo. T. Anderson.

A brother and two sisters survive him, namely Duncan Murray, of Michigan, U. S., Mrs. Henry Downs also of Michigan, Mrs. Andrew McIntyre of Dalhousie, and his widow who resides at Charlo N. B. The Rev. Peter McIntyre of North Carolina is a nephew of the deceased.

present from outlying districts. It was an event in the history of Newcastle of no small importance and will long be remembered.

T. G. RAIT DEAD.

Formerly Belonged to Bathurst. N. B.

After many weeks of intense suffering the spirit of Moses G. Rait of this city was freed from its tenement of clay and went home to God last Sunday morning.

Mr. Rait was a native of Bathurst, New Brunswick, where he was born May 9th 1847. As a young man he followed the business of an engineer and was employed on both the railroad and the steamers. He was engineer on the first steamerboat on Lake Chequamegon. He afterward learned photography and with his brother Alexander was in the business in Boston for a year, coming to Ashland, Wisconsin, in 1882 where in company with his brother he worked at the trade for seven years. In 1889 he moved to this city, succeeding W. I. Bachelder in the photograph business, which he carried on with success until failing health compelled him to retire, Sept. 1st 1903, disposing of his interests to his daughter Mazie and son Frank. Mr. Rait took an active interest in city affairs and filled the position of alderman and city treasurer giving to the duties of those positions the same careful attention that he bestowed on his private business. Mr. Rait was a genial companion and a member of the I. O. O. F. and I. O. E., in both of which orders he was an active worker having been a charter member of the Foresters. Since his retirement from business, although he employed the best of medical attendance, his health gradually failed until the end, when he passed peacefully away.

On January 8, 1874 he was joined in marriage to Miss Fyfe Chambers, who preceded him to that unknown land only a few short months ago. Besides his four sons, John of Fessenden, N. Dak., Charles, Frank, Grant and daughter, Mazie of this city, he is survived by one sister, Mrs. Isabella Grant of Bathurst, New Brunswick.

The funeral was held at the Congregational Church on Wednesday last, Rev. F. H. Anderson officiating, under the auspices of the I. O. O. F., the Foresters furnishing the escort. The remains were laid to rest in the family lot of the city cemetery. The floral tributes were very handsome and were silent witnesses of the esteem in which he was held by the sorrowing friends.—Durand Wisconsin Courier
