Royal English Hand Bell Ringers

Gave Splendid Concert—Large Audience at the Academy [Delighted]

The concert by the Royal English Hand Bell Ringers at the Academy of Music last evening was one of the very best entertainments ever given in the building. The audience was delighted and showed this by encoring almost every number. The Bell Ringers are not only perfect in their own specialty, but they are good vocalists and the splendid programme included vocal solos, quartets and double quartets. They also have in Mr. Dawson, a good reader. Precision, beautiful tone and perfect shading marked the Bell singing and the 8 artists act like one man under the baton of Conductor J. E. Jessop. The Bell program was most attractive including "Cavalleria Rusticana," "Caliph of Bagdad," "Hallelujah Chorus," "Poet and Peasant." Nothing but praise is possible for this magnificent company of musicians.—Halifax Herald, May 22, '12.

His Lordship Bishop Barry confirmed fifty three young people in St. Mary's church after nine o'clock Mass which he celebrated Wednesday morning. Rev. At 4:30 on the afternoon of the 4th instant, a class of sixteen were confirmed at Douglastown, which is a part of Father Dixon's charge.

The bishop in speaking to the boys exhorted them to avoid the sins of cursing and intemperance. When they grew older they must ban liquor and never profane their lips with the holy name of God. He told the girls to be always truthful and honest and to be true christians in their life's work.

ENGLISH CAPITALISTS AT NEWCASTLE

W. Leonard Palmer's Party of Capitalists and Manufacturers Interviewed While at the Station.

The party of British Capitalists and manufacturers which has been promoted by W. L. Palmer of The Financial News to tour Canada, arrived at Quebec on Saturday last from Great Britain. The Intercolonial authorities placed a special train at the disposal of the party on which they will travel during their stay in the Maritime Provinces. The train which left Quebec on Sunday morning reached Newcastle on Monday morning shortly before eleven, and was met at the station by some members of the Board of Trade, including E. A. McCurdy, J. D. Creaghan, D. Morrison, John Ferguson and a representative of THE ADVOCATE. As the party remained here only a few minutes little opportunity was afforded for pointing out the many advantages of the town and district to the visitors, all of whom however admired the view from the station and were very much interested in the amount of shipping to be seen on the river as to which they asked several questions. The extent of the lumber business was pointed out to them and also the opportunities for development of the pulp and paper industries now carried on at Millerton and elsewhere. Several of the party were anxious to know about the winter conditions particularly the amount of snow and degrees of cold experienced. The fact that Newcastle was the birthplace of Sir Max Aitken also seemed to interest them. Mr. Palmer expressed his regret that time did not permit the party staying off awhile to look over the town and district, but he hoped to do this at a later date, as he felt that the Miramichi was a part of the country which had great possibilities for future development. The Newcastle representatives thanked Mr. Palmer for what he had done in the interests of New Brunswick and expressed the hope that they would see him again at an early date.

AT 46 IS MOTHER OF 26

Michigan Woman Says She Would Like to Register Vote Against Race Suicide.

Marshall, Mich., June 7.—Mrs. Wm. Moore, of Burlington township, mother of twenty-six children, has written to Theodore Roosevelt to tell him she has advanced twenty-six arguments in favor of his anti-race suicide doctrine, and to say she was sorry she could not express a decision in favor of the doctrine by voting for him for President.

Mrs. Moore is forty-six years old. She was married first when she was fourteen years old, and by her husband No. 1 she became the mother of one child. She married her second husband when she was seventeen, and by him she has had twenty-five children. The youngest is eleven months old. In the Moore brood are seven pairs of twins.

"OLD HOME" POST CARDS

The Old Home Celebration committee have procured from St. John Board of Trade a quantity of illustrated post cards to stimulate the Back to New Brunswick movement. The illustration is certainly very topical in character and ought to prove a good drawing card, and it is to be hoped that residents of the Miramichi will buy these cards by the dozen and send them to all their absent friends. The price of the cards is only one cent each, and the money realized by the sale will go to the Old Home Week funds. The cards can be obtained at Follansbee & Co's, A. E. Shaw's, Dickson & Troy's and The Palms.

CHARGED WITH JURY "FIXING"

Detective Burns Who Worked Up the McManara Case Now in the Tolls Himself.

Washington, June 5.—A great storm is about to break over Detective William J. Burns, former president Roosevelt, Postmaster-General Hitchcock, Francis J. Henney and many other well-known men over the case of W. R. Jones, just pardoned, after conviction of land frauds in Oregon.

The Department of Justice has original documents showing that Burns and his agents canvassed all prospective jurors and picked out only such as were sure to convict. It has the letters of instruction from Burns that only such jurors as would convict be secured and the replies to Burns.

Judge Gilbert, who tried the case, will probably be impeached. Photographic copies of jury lists with Burns' personal annotation opposite the names in which such remarks as "This man would convict sure," is frequent. It is expected the Roosevelt men will make charges that the alleged jury fixing is brought out at this time for political purposes.

President Taft has all the papers and it is understood he will pardon Hendricks and Mays. Applications on their behalf are now pending in the Department of Justice.

The charges originated through the discovery in Oregon of a forgotten box containing records left by Burns and Henry after the land fraud trials. In this box were hundreds of telegrams and letters and lists of jurors, with comment of their qualifications in the handwriting of Detective Burns and his agents.

It is specifically charged by Department of Justice officials that in furtherance of their purposes, Burns and his agents so connived with clerks and jury commissioners, that no men were selected for jury duty who were not known to be for conviction.

Mary details are given in a brief filed with the Department of Justice by Attorneys Smith and Swartz. The brief charges that, when the prosecution found it could not get convictions in every case by use of the jury lists selected before the fraud cases arose the coteries got rid of the jury box, substituting one of their own selection.

United Baptist Convention Old Home Week.

The United Baptist Association of New Brunswick will meet in annual session this year in Newcastle, beginning on July 8th, and lasting till July 12th. The ministerial session begins at 7:30 p. m. July 8th, Dr. Cousins is president. A very large attendance is expected, which, as that week is also "Old Home Week" will severely tax the citizens to afford accommodation for the visitors. Members of sister churches will help entertain the delegates.

On July 10th at 9:30 and 14:30 there will be sessions of the N. B. Baptist Women's Missionary Aid Society, in another building.

Mr. Charlesworth will sing to Bell Accompaniment "Love's Old Sweet Song" Do not fail to hear this rarely gifted vocalist.

GRAND DIVISION S. OF T.

The semi-annual session of the N. B. Sons of Temperance met at Rexton, June 3rd and 4th instants. The following officers were present: Rev. R. H. Stavert, G. W. P. Harcourt; James Falconer, G. W. P. Newcastle; Rev. W. R. Robinson, S. St. John; H. M. Ferguson, G. W. P. Rexton; Rev. C. Flemington, G. W. P. C. Fred G. Moore, grand conductor. The officers absent were: Pa. Grand W. P. Hennigar, and Sentinel H. H. Stuart of Newcastle.

The Treasurer reported \$274.11 on hand. The progress of the order in the province last year has been exceedingly gratifying, there being a gain of thirteen divisions over last year with an increase of 419 members, making a total membership of 2,610, the largest in many years.

An excellent report from the committee on law enforcement was read by the secretary, Rev. W. R. Robinson. The reverend gentleman also told of the good work that had been done among the unfortunate in St. John.

Grand Lecturer and Organizer, Rev. R. H. Stavert, presented his report which showed excellent work had been done during the last few months, especially in Northumberland County.

A proposal to establish a home for delinquent women in St. John was presented by a committee appointed to deal with the subject. The committee on the state of the order reported on the organization of a large number of new divisions and recommended that the grand lecturer should organize each county until the whole province was covered.

The committee also expressed its strong appreciation of the great amount of valuable work performed by the law enforcement committee embodied in the grand scribe, Rev. W. R. Robinson, in his report. The committee recommended that an appropriation of \$50 be set aside for the use of the grand scribe in connection with this work, and expressed the belief that if it could be arranged for Rev. Mr. Robinson to devote his whole time to the work it would greatly advance the cause in this province. The report was signed by Col. A. J. Armstrong, Stephen B. Bustin, Geo. Jardine, Joshua Stark and James Falconer.

A committee on Legislative action reported, asserting the belief in the principle of prohibition and recommending the pledging of candidates of all political parties if elected, to endeavor to have introduced and advocate and support a measure for provincial prohibition of the liquor traffic at the earliest possible moment.

In the evening a largely attended temperance meeting was held in the public hall, Rev. Mr. Stavert, G. W. P., presiding. Addresses were given by Grand Scribe Robinson, S. B. Bustin, Col. Armstrong; James Falconer, G. W. P. associate; Edward McCarty, F. H. Rouse, George Keith; F. G. Moore, grand conductor; Grand Worthy Stavert, G. W. P. Stark and Mr. Breit, of Rexton.
