To Conserve Canada's Food
THE Canadian Pacific Railway Co. has played an important part in the interests of Canada in the world war in a great many ways, and has again been honored by the recent appointment of Mr. W. A. Cooper, one of its prominent officials, to the Food Conservation Committee. Mr. Cooper has had considerable experience in dealing with foods, having been connected with the dining cars of the Canadian Pacific for twenty years, and his wide knowledge will be of much value to the Committee in the conservation of Canada's food stuffs. On this committee Mr. Cooper is associated with Judge Ross, Toronto; and Miss Watson of the Quebec College. Mr. Cooper was born in 1874. After leaving school, he commenced work with the Grand Trunk Railway as a junior clerk under the late William Watworth, for whom later he acted as Private Secretary. Leaving that company in 1891 he joined the Canadian Pacific Railway service as Chief Clerk to the General Superintendent of the Eastern Division, and subsequently as General Superintendent of the Eastern Division, and subsequently as General Superintendent of the Eastern Division, and subsequently as General Superintendent of the Eastern Division.
