Emily Knowles' is Now Wife of Her Lover's Brother

Marriage of English Girl and
Guy Spiker is Performed at
Fall River, Mass.

FALL RIVER, Mass., Feb. 9.—Miss Emily Knowles of Staleybridge, England, and Guy Spiker of Baltimore, Md., were married here yesterday afternoon, at the home of Mrs. William Battersby, a friend of the Knowles family in England. The ceremony was performed by the Rev. Henry Arnold, pastor of the Bogle street Christian church, a few hours after the marriage license had been received by Guy at the home of the assistant city clerk.

The wedding was of a simple nature. Those in attendance were Mr. and Mrs. William Battersby, Mrs. Sarah Battersby and Charles Whitehead, the witnesses to the ceremony, the two principals with five months old Alfred Ray, Mrs. Charles Whitehead and a few reporters. The single ring service was used.

Previous to the ceremony, Guy S. Spiker and Miss Knowles were taken aside and given a few instructions by the Rev. Mr. Arnold. They then entered the parlor, accompanied by the witnesses. Mrs. Charles Whitehead held the baby. Miss Knowles wore a dress of navy blue serge and

In Maidenhood, Womanhood and Motherhood

London, Ont.—"For many years Dr. Pierce's Favorite Prescription has been my most favorite medicine. I have taken it for the ailments pertaining to womanhood and before and after motherhood, and it always proved excellent. I have also recommended it to many friends, who have taken it with good results. It is the best medicine I know of, today, for women or girls who are weak and suffering."—MRS. WM. STEEL, 178 Richmond St.

SAVED HER LIFE
St. Catharines, Ont.—"I was in a very miserable condition when I first started taking Dr. Pierce's Golden Medical Discovery and Dr. Pierce's Favorite Prescription sixteen years ago. I suffered and was extremely emaciated and weak. Although I was a young woman my doctor thought I was going through the critical stage of life, but after using these remedies my strength returned, and my child came and from that time on my health was perfect, and my weight increased. I really believe that Dr. Pierce's remedies saved my life and I shall always praise them as long as I live."—MRS. ELIZA OVERHOLT, 43 Beach St.

Favorite Prescription should have the full confidence of every woman in Canada because it contains no alcohol and no narcotic. Dr. Pierce knew when he first made this standard medicine, that whiskey and narcotics were injurious and so he has always kept them out of his remedies. Send 10c to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for trial package Tablets.

Guy was dressed in a brown business suit. During the ceremony Miss Knowles was particularly noticeable by the indifferent expression on her face. She seemed glad when it was completed.

Spiker, on the other hand, was forever grinning. During the recital of the Lord's Prayer, which brought the wedding to an end, Spiker was the only one present who did not answer, his facial expression indicating that he did not know it.

A telegram received by Miss Knowles early in the day from Mrs. Cora Spiker in Baltimore has been the only message received since the departure of Mrs. Spiker from this city early last week.

Whether the telegram was one of congratulation or of instruction is not known.

Big Developments in Evangeline's Land

The new Dominion Atlantic Railway Passenger Station at Bridgetown.

Not only is the Canadian Pacific Railway making advances in accordance with the necessities of the times, and providing every modern improvement for the convenience and comfort of the public, but all its subsidiary lines are similarly progressive.

The Dominion Atlantic Railway, which serves a large portion of Nova Scotia and runs through the beautiful Land of Evangeline, now owns and operates The Pines Hotel at Digby, providing first class accommodation for the large numbers of tourists who visit the district. A new night service between Halifax and Yarmouth has recently been inaugurated. This night service leaves Yarmouth on Monday, Wednesday and Saturday evenings, and Halifax on Sunday, Tuesday, and Friday, and marks one of the most important developments since the through line of railway from Yarmouth to Halifax was opened for traffic in 1891. These trains carrying on a combined freight and passenger service, but only carloads of through merchandise are carried.

When on a trip of inspection over the Dominion Atlantic Railway, at the end of November last, Mr. Grant Hall, vice-president of the C. P. R., expressed the desire to have the D.A.R. equipped in the near future with steel rails much heavier than those at present laid. He said that this work would probably be undertaken when the effects of war conditions had disappeared. Important improvements are being carried out along the line and arrangements are progressing for the erection of a new station at Digby which will provide the most up-to-date facilities for tourists and other traffic and add considerably to the beauty of the town. It is estimated that during 1919, 60,000 tourists visited Nova Scotia, and spent there about \$3,000,000. Recently a new station was opened at Bridgetown, much to the satisfaction of the public of that town. It is a handsome building

24 ft. x 56 ft. with 20 ft. overhanging on each end and has in front a tavia walk 350 feet long and 12 feet wide.

The building is very conveniently designed. It has a cement basement. The outside finish is stucco on truss, laid, centred with plain pebbled dash, with smooth finish above and below. The roof is asbestos. The inside consists of gents' room, 20 ft. x 24 ft., office 14 ft. x 14 ft., ladies' waiting room, 12 ft. x 24 ft., and baggage room 24 ft. x 10 ft. The inside finish is of Douglas fir and birch, finished in the natural wood. The ceilings and side walls are sand finish tinted in cream. There are also up-to-date conveniences and the heating plant consists of a Cumberland hot air furnace manufactured and installed by Mr. G. E. Banks of Bridgetown, who also executed the plumbing. The inside and outside decorating was in charge of Mr. Harry Sanction. The whole work, including the building of a freight shed 30 ft. x 43 ft., on the opposite side of the track, was built by contract by J. H. Hicks & Sons, under the personal supervision of Mr. E. A. Hicks, of that firm, who has already built seven Dominion Atlantic Railway stations. The Dominion Atlantic Ry. has also added to its system the hotel at Kentville now known as the "Aberdeen." Kentville is an important and growing centre, and the fact that it is now to have modern hotel accommodation will add tremendously to its benefit. The "Aberdeen" is splendidly situated, and will be made very attractive. It will be renovated and refurnished from cellar to roof. Many of the rooms will be equipped with private baths. The work of renovation will begin at once, but will be so conducted that guests will not be disturbed. The Aberdeen will continue to be operated the year around, and cater to the general and commercial interests as well as to the tourist traffic.

Announcing Red Rose Orange Pekoe Tea

During our twenty-five years in business, Canada has made wonderful progress in education, refinement and wealth.

The scale of living and the tastes of the people are more luxurious than a quarter of a century ago.

Realizing this we have decided that—in addition to our well-known standard brands of Red Rose Tea, the sales of which are increasing faster than ever before—the time is opportune to introduce a tea of extra quality. It is an Orange Pekoe Tea of very fine quality under the popular Red Rose brand, and called Red Rose Orange Pekoe Tea—a special tea of extra quality for people who are willing to pay a little extra price.

To ensure the quality and success of this new tea we have concentrated on it all the resources, the experience and the advantages possessed by our big organization. The Orange Pekoe Teas we use are selected with a knowledge born of long experience in buying teas abroad.

Red Rose Orange Pekoe are grown on the best plantations;—from tested seed;—on carefully cultivated soil;—at a high elevation (mountain

grown teas are very superior to low-land teas.)

They are gathered at the time of the year when the flavor is most fully developed in the leaves.

The manufacture and final preparation are carefully and skillfully done.

When brewed, Red Rose Orange Pekoe Tea has all the characteristics of fine quality tea.

It has a bright, sparkling amber color in the cup.

The aroma is delicate and delightful.

After the liquid is poured off, the leaves in the pot are a greenish copper color.

The flavor is of rare charm and distinction. The more cultivated your taste the more you will appreciate it.

The strength is rich, satisfying and invigorating.

Red Rose Orange Pekoe Tea is sold only in our sealed waxed board cartons which fully protect its fine quality.

Ask for it by the full name: Red Rose Orange Pekoe Tea. The words "Orange Pekoe" are in orange on our new waxed board cartons.

Our well-known Red Rose package, the sale of which is increasing faster than ever before. Red Rose consists chiefly of Assam teas, the richest and strongest in the world and therefore very economical. (The Red Rose Orange Pekoe package is a little different in design.)

Mountain grown Orange Pekoe from the best plantations. A tea of extra quality at a little extra price.
