ther ship, in a different part of the ed, that ere long he left the service. Long after, I met him in California pursuing an honorable and success areer, and bidding tair to become on of the leading men of the State. Thtory of his younger days had sobereand done him good. It had made him winer and better man. He was no longer a bully; and could never, or my account, be persuaded to handle firearms of any description; but shud dered at the mere sight or even mer tion of a gan.

The Chapel Bell in Ireland. T IS RUNG TO ANNOUNCE THE COMING OF THE BAILIFF-SAD SCENES AT EVICTIONS.

(Correspondence of N. Y. Star.) The chapel bell has begun to ring in (reland. Before many weeks have seed it is more than probable that there will be few parishes in the country in which the tolling will not be heard tion has commenced in real earnes and the ferocity with which it but neen conducted by the landlords, ~ well as the confederated vigor and laring with which the tenants hav resisted it, sugurs gloomily for the vinter months. It is simply harrow ing to read of the scenes that have found. The sentries said that he had been witnessed, especially in bleak and 'Give it him well!' shouted the not slept all night, and had landed at helpless Gweedore. Up to the present, most of the evictions are those of poor half-starved creatures, who try to pay cited state of his brain, and regretted claim to state or public remuneration that he had not been more closely The government have given the land-

But if the landlords are resolute the collection of rackrenters they are being which has not been witnessed in any previous period of the history of Irish had not been known for years; and it only scared? The descrion and sui-landfordism. The clergy, no less than the tenants themselves, see that the payment of the existing rent is an absolute impossibility, and the advice which they have given the farmers is to offer to the landlords what they

believe, as a body, is a fair rent and, with the weather. And it was thus a determined. The funeral was next if that is refused, to pay no rent at all. You have a mild illustration in the Woodford evictions of what will happen. The Marquis of Clanricardetypical absentee—and Mrs. L-wis own roperties that adjoin in the county Galway. Unlike the surrounding landlords, these two owners refused to accept the compromise of the tenants. and police, military and a body of mergency men from Dublin arrived

upon the scene.

The Woodford races took place the day before the expected arrival of the owher expedition, and that a fitting cident was still fresh in his memory, reception should await the strangers. a beliman was sent upon the cours death and his desertion were fully in- evict the tenants at too second, and it quired, 'What is the name of your The hint was taken readily, and with the result which was seen in the comolete destruction of all the bridges that coscaun district from Woodford, three, sir, one at Rhoslianerch panned the river which divides the

> nis army approached was that of an old bed-ridden cotter, but on smashing mergency men, found that a solid piece of masonry had been built up entrance. While contemplating this lgogervohwyrudrobwllgertrobwlyland nside which effectually barred the mexpected obstruction, and concoct ng plans for its demolition, the party were suddenly immersed in a shower of boiling water and lime and an equally destructive shower of brickhats, stones and missiles that had been carefully accumulated by a body of en who had concealed themselves sithin. The bailiffs then battered lown the gable end of the cabin, and agony, was conveyed, amid the exeerations of the crowd on a stretcher to

the roadside. The defenders, however, cceeded in making their escape. At one cabin, after an . xo ptionally roof, the heads of two exceedingly pretty girls were seen to suddeuly rise shove the thatch for the purpose of beerving the effect of the last canful I'nis was apparently more than emergency flesh and blood could bear, and fierce attack being made upon t e of door, an entrance was effected, and four girls were taken into custody but
