Household Hints.

For a scald or burn apply immediately pulverized charcoal and oil. Lamp oil will do, but linseed is better.

The colour of dry sea weeds may be preserved by brushing them carefully with a solution made by dissolving three small lumps of gum mastic in a gill of turpent-

A sure and safe way to remove grease stains from silk is to rub the spot quickly with brown paper; the friction w draw out the grease.

A good remedy for blistered feet from long walk is to rub the feet at going to bed with tallow dropped from a lighted candle into the palm of the hand,

To remove warts washthem with moist washing soda and let them dry without for the compaign. He was a regular wiping; do this two or three times a day. passenger and held his commutation

A Bad Chef C onstable.

For some time past there have been runors affoat, and charges made against Chief Constable Capron, of Ingersoll, that that has tended to destroy public confidence in his honesty and ability to discharge the duties of his office, at the last regular meeting of the Council a promptly snipped.

(Tielets "" thorough investigation was made into the matter, and it was clearly proven that he was in the confidence of a notorious burglar named Beatty, who for years past has been committing roberies in and about Ingersell; has accepted val-uable presents from Beatty, and at dif-ferent times has aided him to escape justice. It was also clearly proven that he has for years accepted bribes from keepers of disreputable houses for the purpose of not prosecuting—at one time taking a bribe of \$50; besides many other charges, quite as grave, which justified the Council in unanimously voting his immediate dismissal.

The best fidelity to Christ is shown in a daily vigilant service to him in trifles, prime. "I've seen him before but this in efforts to honour him in humble, inconspicuous service, such as in good temper in families, sympathy with man and beast, honesty in business, liberality to servants, fidelity to employers. These things make up the best discipleship. The same truth applies to many things. The best paintings are those where such details as the blades of grass, the leaves of the trees, the lines upon the water, the similar minute points, are most per- fire and gets my breakfast, and sends me fectly delineated. Artistic excellency off," said a bright youth. "Then she consists chiefly in the complete accuracy gets my father up and gets his breakfast, which the slothful or the ignorant work. er cannot or will not accomplish. The other children their breakfast and sends great Italian sculptor, Michael Angelo, them to school; and then she and the was once visited by an acquaintance, who remarked on entering his studio, "Why, you have done nothing to that since I was here last." "Yes," was the reply; "I have softened this expression, ouched off that projection, and made other improvements." "Oh!" said the visitor, "these are mere trifles." "True," answered Michael Angelo, "but remember that trifles make perfection; and perfection is no trifle." In like manner, the highest form of devotion to Christ anybody." consists in fidelity to apparent trifles. For only heartfelt love and abiding re- of you." collectedness of Him as an ever-beloved object, will enable His disciples to maintain throughout each day, in word and His enemies the duty of honouring him thus continuously and in the grant tructed to locate a suitable spot at Pile of Bones Creek, the new C. P. R. town thus continuously, and in the whole and capital of the North west, for the details of life. - [London Record.

Farm and Garden.

Poorly ventilated stables are hotbeds Feed the corn crop, and cultivate ofen and not deeply.

The secret of procuring winer squashe is late planting. Now is the time to watch for vermin in the poultry house. It is not proper to expose stock be-

Good shelter is ecessary at all times. In selecting animals it should be bern in mind that those with small chests do

cause it is

not fatten readily. It is claimed that dry fish guano contains more than 15 times as much ammonia as ordinary stalle manure.

In high-bred and liberally-fed animals the teeth are produced earlier than in those living under reverse conditions. Let the hens set if they will, as late-hatched chicks will pay better than to waste time in breaking the hen from set-

Hen manure carries much less water than stable manure, but more nitrogen and organic matter. The proportions of potash and phosphoric acid are nearly

Too many people plant only a first light crop of lettuce. It may be sown in August, and is still one of the most useful of vegetables. useful of vegetables. The winter varie-ties may be sown as late as September. If water must be drawn from pumps or aqueducts for watering plants, it is well to fill half-hogsheads with it in the morning, and let them stand in the sun

all day. Then the water becomes quite warm, and is more beneficial to the all day. plants . The attacks of squash bugs, cumber beetles, etc., may it is said be prevented by attaching rags saturated with kero-sene oil to short sticks, and put in the hills or near the vines. The bugs will soon disappear. The rags need to be

saturated anew about every two days. The best drink for the harvest field is thin oatmest and water-one fourth pound of meal to two or three quarts of water-with a little sugar. The oatmeal should be well boiled, and about one ounce of brown sugar added. This quenches thirst better than any other kind of drink, and gives strength and endurance.

The importance of properly thinning out fruit trees when bearing abundant crops is more and more apparent. To produce fruit that commands a good price in market has become an absolute necessity. This seen especially in that intended for exportation, apples of good size, fair and properly packed, commanding in the English market fully double the price of those which have not received such care.

The Masher Mashed.

There were plenty of seats in the car, but as he walked down the aisle he looked sharply to the right and left until he reached a pretty girl who was sitting

"Seat engaged miss?" he asked with a knowing wink. "No-no. sir," stammered the girl,

looking around in dismay. Down he plumped and braced himself

ticket in his hand. "Shall I open-!"

"Tickets!" roared the conductor who had watched him from afar. The regular passenger smiled sweetly

on the pretty girl and put up his pasteboard, out of which two sides were "Tickets!"

"Hold on!" protested the regular pasenger, "you punched this twice. This lady isn't with me!"

"Sorry," replied the conductor, "but you walked in, sat down and went to work on the regular married style. Supposed, of course, it was your wife. Too late, now, take a vacant seat next time. Tickets!"

And the passengers went to the conductor and asked him to drink and offered him cigars, and bought out the train boy for him. "I knew they weren't married," said

he, as he squinted at a flask of extra is the first time it cost him a couple of dollars to play it." "Do you know who the lady is?" ask-

ed an inquisitive man.

"My wife, gentlemen," replied the conductor, and even the flask chuckled a merry "glug, glug" as he spoke.

The Boy's Estimate of a Mother's Work.

"My mother gets me up, builds the and sends him off. Then she gives the baby have their breakfast."

"How old is the baby?" asked the re-"Oh, she is most two, but she can

talk and walk with any of us." "Are you well paid?"

"I get two dollars a week, and my father gets two dollars a day.' "How much does your mother get?"

With a bewildered look, the boy said: "Mother? Why, she don't work for "I thought you said she worked for all

"Oh, yes: for us she does. But there ain't any money into it."

Col. Irvine, it is reported, has been in Mounted Police headquarters.

Who's the Best Physician The one that does most to relieve suffering humanity of the thousand and one ills that befall them, is certainly the best of all physicians. Electric Bitters are daily doing this, curing where all other daily doing this, curing where all other remedies failed. As a spring tonic and blood purifier they have no e lud. They positively cure liver and kidney com-plaints. In the strongest sense of the term, they are the best and cheapest physician known. —[Daily Times. Sold by Geo. Rhynas, at 50 cents. [3.]

Nine Physicians Cutdenc.

It is generally considered a pretty difficult task to outdo a physician, but the following will prove conclusively where nine were completely outdone. Mrs. Helen Pharviz, 331 Gayton St., Chicago was treated for Consumption by nine physicians, and all pronounced her case ncurable. Seven bottles of Dr. King's N w Discovery for Consumption completely cured her. Doubting ones, please drop her a postal and convince your selves. Trial bottles free at Rhynas's Drug Store. Large size \$1.00. (4)

The widow of the late Luke Nable, ottam, Essex, has gained an unenviable reputation by marrying her deceased daughter's widower, just eleven weeks after the death of her husband. This is the first known instance in Canada of a man actually marrying his mother-inlaw. Such a marriage is contrary to the laws of this country. The ceremony was performed by Rev. J. V. Smith, of Windsor, who, of course, did not know the relationship the parties bore to each

Parties just returned from the Qu-Appelle district report upwards of eighty squatters on the proposed Bell farm in that district. They declare their intention to remain, as they were squatted before they knew of the sale of the tract

An insect resembling the army worm has appeared at Halifax. On Saturday they were in such numbers at one place as to change the color of the ground Places where they have passed are as brown as though from weeks of drought.

The Doctor's Last Happy Resort.

Evansville, Ind., Jan. 11, 1882. I recently had a very difficult case of Consumption. I treated it in the most fect; patient grew gradually worse. Rather than give up, and as a last resort, I decided, much against my wish. to use a remedy that had cured one of my former patients. Greatly to my sur-prise, the patient began to gain, and in a much shorter time than I dared to ever expect, she was completely cured. The name of this remarkable remedy is Dr. King's New Discovery for Consumption. I now use it altotgether in my practice.—[Leading M. D., Evansville. Trial bottles free at Rhynas drug store. Large size \$1.
