The White Ladies of Worcester.

A ROMANCE OF THE TWELFTH CENTURY.
 (By Florina Barclay.)

Nora, the leading character in this story, believing she has lost her betrothed lover, Hugh D'Argent, either through unfaithfulness or death, while he is absent on a crusade, enters a Convent. Hugh returns and tries to prevail upon her to leave the Convent but she determines to remain true to her vows. To the Bishop of Worcester falls the task of bringing the lovers together, and Nora at last gives herself to Hugh, persuading herself that she is following God's will. Bound in cloth. Postage 4c.

"THE BEST FACE CREAM I EVER USED" is what our lady customers tell us about **O'MARA'S Face Cream.**

Knowing what it is made of, we were certain it would be hard to improve on. We hardly expected that a big thirty-five cent package like "Ours" would win favor over other high priced lines, but it has. Believing it the best article and best value we have, we like to recommend it to you. Let us show it to you—and tell you about it.

Price 25c. a jar.
