### Yesterday's Sports.

**SHRUBB, WORLD'S CHAMPION,**  
GIVES EXHIBITION OF REAL  
RUNNING.

A great number of people attended yesterday's sports at St. George's Field, and the gate receipts, about \$700 were the biggest in the record of the field. Needless to state, Alfred Shrub, World's Champion Marathon runner, was the big attraction, and the day being delightfully fine, with just enough breeze to keep everybody but the baseball fans cool, the sports lovers turned up in their thousands. The first item was a ball game between the B.I.S. and the Wanderers, the latter winning by 8 runs to 3. The footer game between the City and a team from the Grampian's passengers and crew followed. The Citizens winning by one goal to nil. Now came the event of the day, when Mr. Alfred Shrub, World's Champion Marathon runner, stepped out onto the course in running shorts and with Atkins and Bright pacing him started off on his five mile run around the field. Thirty five complete circles had to be run, seven making a mile. Shrub covered the first mile in 4 mts. 55 secs.; the second in 5 mts. 14 secs.; the third in 5 mts. 24 secs.; the fourth in 5 mts. 20 secs.; and the fifth in 5 mts. 12 1-2 seconds, or the entire five miles in 26 mts. 05, 1-5 seconds his own record, being also that of the world, being 25 mts. 58 4-5 seconds, having done this in London, Eng., 1904. For the last mile Mr. J. Kavanagh runner of local repute stepped out to pace Shrub, so that he would put forth good efforts. Shrub's running was very pretty to see, his leg action being from the knees down, and as he circled the field in his graceful, easy, stride, the thousands of spectators lining the field cheered and hurraed in real old-time enthusiasm. Altho Atkins had a lap's start, Shrub gained on him twice in the five mile run. Seen by the Telegram reporter immediately upon finishing the run, Mr. Shrub told of his efforts. "The field is a good one," he said, "and the weather, despite the rather unfavorably strong breeze, is just nice. Do I feel tired or winded? Not at all. I am as fresh now almost, as when I started. A large crowd closed in on Shrub as soon as he had finished and it was a minute or so before they could be dissuaded from patting him on the back and shaking hands with him. He is a sporty little man, with unlimited pluck and perseverance and has undoubtedly endeared himself to St. John's, if yesterday's cheering and applause may be taken as a criterion. A ball game between the Cubs and Red Lions, in which the former won by one run to nil, brought to a conclusion the most enjoyable sports day held in the city for a long time.

### McMurdo's Store News.

THURSDAY, July 17, 1919.

Peroxide Cream has come to stay, without any doubt. We find daily evidence of a success which may fairly be called extraordinary. The reason is, of course, sun-clear. Simply that Peroxide Cream is a good cream, a well made cream, a cream that does not show on the skin, an exquisitely perfumed cream, and that it is withal very moderate in price. A generous sized crock for 40 cents. Our Household Ammonia has a hundred and one uses in the household. When it comes to cleansing, it is right there. Two sizes 30c. and 50c.

### George St. Picnic.

The Sunday School Children of George Street Church were given their annual picnic yesterday. The children, numbering 400 accompanied by their teachers, marched to the railway station at 10.30 a.m. and left by special train for Mount Pearl, where they enjoyed themselves until 8 p.m. The usual children's sports were engaged in for which prizes were offered. An excellent dinner was served and the little ones did justice to the good things provided, refreshments were also served during the afternoon. Return to the city was made at 8.30 after a most enjoyable time.

### Passed Primary Exams.

Mrs. C. Ellis, Cochrane Street, has received word that her son Frank, had passed his exams in Chartered Accountancy, with honors, held at Toronto University. He holds a good position with the firm of Clarkson, Gordon and Dilworth, Chartered Accountants of Toronto.

### Last Night's Concert.

A large audience attended the concert at the College Hall last night. Mr. A. Dodd was chairman, and the affair, which was promoted by the stewards of the Grampian in aid of the steward's who lost their clothing in the ship's collision with an iceberg, and of the dependants of those who lost their lives, proved very enjoyable. Those taking part were Mrs. Workman, Messrs. Hobday, Stevenson, Antrobus, Traynor, Lawson, McGowan, Fortune, Robertshaw, Neil and Fletcher.
