Gunning Accident. VICTIM IN HOSPITAL.

As a result of a gunning accident which occurred yesterday afternoon the steel business is reported by the Botwood; Capt. G. Hicks, Miss F. Mr. Gus Chafe of Petty Harbor now lies at the General Hospital in a precarious condition. The young man who is a son of Mr. A. Chafe, was out shooting with a couple of friends and in going through the woods stumbled and the trigger caught in some undergrowth, with the result that the gun went off and the charge entered his left side near the hip. The unfortunate man suffered great pain, and his com-panions immediately hurried him to his home where a doctor was called, who ordered him to Hospital. He was driven to the city at 6 p.m. Last night, after the wound had been dressed, Mr. Chafe was resting easily. It is not thought that the accident will prove

CHILD RUN OVER-A three year old girl named Meyers was run over on Water Street West yesterday after-noon by a horse, driven by a man named Brien. On being picked up the child was brought to Dr. Tait's sur gery on Patrick's Street, where an ex-animation disclosed that though suf-fering internally her injuries were not serious.

The Great Grey Seal.

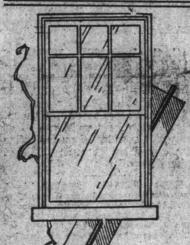

Around the British coasts two ecles of seals have their home namely, the common and great great. The common seal is consider May 1.—Up betimes and to the office. fair day but cold. the pilot can retain personal control of the ailerons and elevator, as well as of the engine plant and rudder, as long as he likes, and also has the means, whenever he desires, to turn over to the automatic system the conthe elevator alone—and in addition More recently a French inventor he can cut out both automatic conmeans of which all control except the stalled on the dashboard of the airplane cockpit as an index as regards

> It is more than a means of relieving the pilot from fatigue, for, when flying through clouds or fog he used no longer fear that he is "banking" unintentionally, while for landing. the control can be set so that the machine will descend at a predetermined angle, thus removing one of the dangers of night flying.

Look Ahead and See What Would Happen to Your Child."

Usually it is maturity that advises Youth. But this time the situation was reversed and it was the inexperienced young girl who was urging the sophisticated society matron to be true to her home and her husband, above all, to her child. You never saw a more adorable little heroine than Jeanne, portrayed by Winsome May McAvoy in "A Private Scandal" to-morrow at the Majestic Theatre.
