REFORM MEETING.—The members of the Centre Wellington Reform Association, and other friends of the party, are reminded of the meeting to be held in the Fireman's Hall, Fergus, on Thursday, 15th inst, at 2 p.m. Business of importance will be brought forward, and a full attendance of the delegates who nominated Mr. McKim, is urgently requested.

DEATH OF DR. H. STRANGE.—We record with regret the death of Dr. Henry Strange, which took place at Toronto on Thursday. It will be remembered that Dr. Strange got hurt in the face more than a year ago with a cricket ball, while playing cricket at Hamilton. The injury turned out to be a serious character, resulting as it did in necrosis of the bones of the face. He took the advice of the most eminent medical men, and went to Toronto Hospital, to be near the skilful physicians attending there. Nothing that they could do, however, was of much benefit, and during the summer he kept gradually getting weaker, until at last, after enduring much suffering, death came to his relief. Dr. Strange was the son of Henry Strange, Esq., of Rockwood, and was well known in Guelph, having studied for some time with the late Dr. Parker. After taking his degrees he commenced practice in Hamilton, where a career of good promise was before him. He was endowed with an active mind, took much interest in public affairs, and gave promise, with experience, of being a very skilful and successful physician. He died at the comparatively early age of thirty-three years.

Rev. Mr. Wait, at a recent meeting of the Baptist Society of Chicago, protested against an improper paragraph in the Tribune, wherein it was stated in substance "that the practice of pastoral visiting of ladies at their homes should be much restricted, in view of recent clerical and social developments." He for one considered it an insult to the cloth, and would say that during 40 years of active pastoral work, he had yet to experience the temptation of one single immoral thought. He entered this protest in the slender hope that the publication in question might perhaps be moved to retract such a gross impropriety.

A SAVAGE MONKEY.—On Friday, in one of the shows outside the fair ground at Hamilton, a monkey caught a boy by the hand and bit his thumb completely off. The savage brute after having done this sprang to the top of the tent, and ate the piece had bitten off. The boy's name was Westaway.

A full supply of oysters received daily at Hodgson's grocery and provision store. Try them.

We learn that at a Congregational meeting of St. Andrew's Church, Galt, held last Sunday after morning service, Rev. William Masson, of Russelltown, Que., was by a unanimous vote chosen to be their minister, in the room of the Rev. Mr. Muir.

The Presbytery of Montreal, in connection with the Canada Presbyterian Church, on Thursday ratified the Remit of Union which had been unanimously adopted by the sessions and congregations within its bounds.

FIRE.—On Tuesday night of last week, a fire broke out in the stove factory at Moorefield, owned by Brown & Eggleston. Fortunately there was a good supply of water at hand, and there being a social held in the village, those attending it rendered such assistance that the fire was subdued.

PAYSON'S INDELIBLE INK is indelible still; it is plainly written on the minds of the public; after forty years' test it still holds its own and is the only reliable and standard marking ink in existence. It is used with a common pen for marking linen, silk and cotton, and will not wash out.

The Venerable Archdeacon Palmer has placed in my hands for sale the Lots in his new survey, immediately in rear of his residence and lying on the north side of Grange street. The situation cannot be surpassed in the town—convenient to Market, Post Office, Church and Schools, commanding a magnificent view of the town and surrounding country. The lots are of different sizes, and well suited for private dwellings, with a first-class soil for gardening.

Those lots on Tyrathlen Terrace are well adapted for general residences, and will only be sold to those who will bargain to put up good buildings.

Plans of the Lots can be seen at my office and particulars learned.

Terms very liberal. Purchases made with Fall interest on balance of purchase money will not commence until 1st April, next.

If desired, the lots will be pointed out on the ground.
