LETHBRIDGE SETTLES UP OLD SOCCER BIG LEAGUE BASEBALL DUNDEE GETS DRAW MAY 24 BIG BOXING DAY IN DEBT WITH THE GALLIES

Southern Soccerites Come Across Within the Time Given Them by League-Work at Victoria Park Progressing-Football Notes.

Yesterday the secretary of the Cal-lies received the balance of the money due that club by the Lethbridge Over-seas in connection with the visit of the Calgary club to the southern city last fall in the first round of the Benlast fall in the first round of the Bennett Shield competition. The matter was dealt with at the annual general meeting of the Provincial Association at Edmonton, and the peculiar circumstances attending the matter was the cause of giving the Lethbridge people one month to pay up. Part of the money arrived on April 15, and the rest as stated on Monday. Unlike other towns, the Lethbridge league did not leave it to the club to arrange the match, but took it in hand themselves, and picked a representative team to play the Callies—contrary to every rule play the Callies—contrary to every rule and reason. The result is well known, but now the payment has been made all old debts have ben cleared up between clubs interested in the provincial competition, and things are quite in order for another season. rder for another season.

The West Sets The Pace

The Canadian Sportsman makes comparison of Ontario's sorry showing against the magnificent offerings of the Western Fair Associations for speed competitions this year. With the Western Fair Associations for speed competitions this year. With more than \$200,000 distributed in Manitoba, Saskatchewan and Alberta, not a single Ontario Association has announced an early closing stake. The Sportsman continues:

Ontario horsemen ship many miles into the States to race where they can secure liberal stake engagements and unlimited racing and would gladly engage their horses in stakes at home if given the opportunity. With the close of the Canadian circuit, which offers the splendid amount of \$40,000 independent of any fairs in connection, the best of Ontario's horses are forced the splendid amount of \$40,000 independent of any fairs in connection, the best of Ontario's horses are forced out of the country and we see no more of them until the season is over. If live promoters such as those who control the Western Canada fairs were behind the Ontario exhibitions we would find each of them annually offering a list of rich early closers. The racing is a feature of all the big exhibitions and a little army of lovers of the sport were sorely dissatisfied when it was discontinued in Toronto. There is plenty of money given to the horse at the Canadian National Exhibition, but it is nearly all given to the fancy horse and very little goes to the standard-bred or thoroughbred from which the fancy horse was bred by crossing with heavy types. The thoroughbred and the trotter are the original breeds and in order to sustain them we must have racing. Ontario must supply her share of the racing and the big fair associations are best able to put up the money required to promote good meetings.

Help Needed at Victoria Park.

The White Soxed Reds.

Chicago April 29.-The Cincinnati National league club, appearing on the field for the first time in history without red stockings, was defeated by Chicacgo today, 7 to 2. Instead of the famous hose which gave the club its sobriquet of "Reds" Manager Tinker's men wore the pale steckings of the Chicago White Sox, lent by Owner Comiskey, with complete outfit of uni-forms, gloves, bats and shoes, the Cin-cinnatis uniforms having been acci-dently left at St Louis. Some were unable to sloop low to stop grounders, owing to the fit of the clothes. The locals bunched hits with this poor fielding and won easily.

When the lack of uniforms was reported to Manager Tinker upon the arrival of the club from St. Louis, he

requested a loan from President Mur-phy, of the local club, but there was Tinker called on Mr. Comiskey. Hudson Boxes Johnny Coulon. Tommy Hudson, bantam champ. BOXING!

After a long delay in trying to get a good boxing card for the fans of Calgary, I have succeeded in matching Andy Morris, of Boston, against Arthur Pelkey for 12 rounds. Morris is a heavyweight, weighing 200 pounds; he has boxed nearly all the "white hopes" around Boston and New York. He has met Pelkey on two occasions; each contest went the limit, most of the Eastern papers calling it a draw. Both men are anxiously waiting the decision of this contest, as the winner is matched with Luther McCarty for May 24.

I am boxing Andy Morris one day at the arena and Arthur Pelkey the following day at the Elbow View Hotel gym, and the fans are all invited to watch both men go through their training every day at 3 o'clock.

Mickey McIntyre, the welterweight champion of the West, will box Billy Griffiths, of Cincinnati, 12 rounds. Griffiths is the boy who beat Ray Bronson last week in the East, and claims the welterweight championship of the United States. These boys are also very evenly matched, and this contest is the first of the series for the welterweight championship of the world, and, at any price, it is my aim to furnish the best boxing contests there are to be had in the world for the fans of Alberta.

Another good card on this date will be a ten-round contest between Roy George, of Calgary, and Young Ross, of Winnipeg, and there will not be a boxing fan that won't get his money's worth when he visits the Burns arena on May 1.

The Manchester street cars will take you to the arena. Boxing starts at 8,30 sharp, and there will be no delays. Prices: General admission, \$2: reserved seats, \$3: ringside seats, \$4: box seats, \$5: and 300 general admission seats will be sold at \$1.00 each after 9 o'clock. Tickets are for sale at the leading hotels and cigar stores and at both my clothing stores, 130 and 213 Eighth avenue west. Mail orders will be promptly
