

WHENEVER I see Hood's Sarsaparilla now I want to buy and say

'Thank You'

I was badly affected with L. exema and Scrofula, covering almost the whole of one side of my face, nearly to the top of my head. Burning sores discharged from both ears. My eyes were very bad, the eyelids so sore it was painful opening or closing them. For nearly a year I was deaf. I went to the hospital and had an operation performed for the removal of a cataract from one eye. One day my sister brought me

Hood's Sarsaparilla which I took, and gradually began to feel better and stronger, and slowly the sores on my eyes and in my ears healed. I can now hear and see as well as ever. MRS. AMANDA PAISLEY, 176 Lander Street, Newburgh, N. Y.

CRICKET.

PHILADELPHIA VS. ONTARIO.

TORONTO, July 27.—The cricket match between Philadelphia and All Ontario came off today, and was composed of the strongest teams that the Phillies have faced, and a splendid exhibition of cricket was witnessed by a large and fashionable audience. Following is the Ontario eleven: Saunders, Martin, Goldingham, Laing and Wadsworth, of Toronto; F. W. Terry, London; McGivern, Hamilton; Kenny, Chatham; Lyon, Bowbanks and Cooper, of the Rosedale.

The features of the day were the fielding of both elevens, which was characterized by neatness and accurate throwing, the splendid bowling of McGivern of Hamilton, who is credited with 7 wickets for 21 runs, and the beautiful catch of Wadsworth, of the Toronto. The bowling on both sides was of a high order.

At 11:20 Capt. Patterson of the Phillies, having won the toss, elected to go to bat and took Dr. Thompson in with him, facing the bowling of Laing and McGivern. Both batsmen began steadily, but Thompson got in a beautiful hit to the boundary which elicited hearty cheers. When 39 had been tallied the tall American captain was caught by Lyon of McGivern. Score, 39, 1. E. W. Clarke followed, and Thompson drove Wadsworth, who had supplanted Laing, to the boundary twice. Soon after Kenny snapped up his big hitter. Score 58, 2. Ralston came in, but only for a short stay, as he succumbed to a clincher from McGivern. Score 62, 3. 2. Biddle followed, but before he could score Clarke was caught at mid-field by Goldingham. Score 62, 4. 6. Brewster put up a high fly to leg which Wadsworth captured after a long run, making one of the best catches ever seen on the lawn; score, 67, 5. 0. Joe Patterson was bowled by McGivern's first ball; score, 67, 6. 0. Etting and Biddle made a short stand, the former having contributed 8 before being bowled by McGivern; score, 70, 7. 8. J. S. Clarke was snapped up by Wadsworth without scoring. Score, 83, 8. 0. Biddle was taken in at cover point by Bowbanks of Laing for 10; score, 88, 9. 10. Brockie joined Goodman, who was playing splendid cricket, and these batsmen played out until time was called for lunch at 1:30. McGivern had 7 wickets for 21 runs.

At 2:40 play was resumed, and Goodman was shortly afterwards caught at the wickets off Kenny for a splendid inning of 22. Brockie, not out, for 2, closed the Phillies' first inning with a total of 110.

At 3:31 Goldingham and Saunders, for the Ontario, faced the bowling of Capt. Patterson and E. W. Clark. Goldingham cut Patterson to the ropes for 4, and then drew another for 3. He then hit Clark beautifully to the off for 3. Saunders punished one of Clark's for 3, when he was stumped by Ralston. Score, 21, 1. 4. Martin followed, but was snapped up by Brockie off Clark for 5. Score, 31, 2. 5. Terry joined Goldingham, and then drove Patterson to the ropes for 4, and then drove Clark to the western ropes for another quiet. Goodman relieved Patterson, bowling at the south end. After Terry had put one of Clark's to the boundary for 4, Goldingham was caught by Geo. Patterson off Clark for a well played 50. Score, 52, 3. 30. Laing, the

next comer, hit Goodman for 3, but succumbed to Goodman's next ball. Score, 57, 4. 3. Kenny followed, and after Terry had hit Clark to the off for 3, Terry was clean bowled by Goodman. Score, 63, 5. 2. Lyon came next, but was short lived, being bowled by Goodman. Score, 67, 6. 2. Bowbanks partnered Terry, who was putting up splendid cricket. Terry hit Goodman to the western boundary for 4, the next ball at Goodman's sank the stumps. Score, 70, 7. 3. Wadsworth came in and Terry hit Goodman to the ropes for 4. Terry again punished one of Goodman's for 4, after which Wadsworth was bowled by Clark. Score, 92, 8. 3. Cooper followed, but Clark's second ball found his stumps. Score, 92, 9. 0. McGivern, the last batsman, partnered Givern. Terry hit Clark for 4. Clark's next ball found Terry's wickets after he had put together 35 in faultless style. The inning ended for a total of 96—14 behind the Phillies' first venture.

At 5:40 p.m. the Philadelphia started their second inning with Capt. Patterson and Thompson again at bat. Patterson drove Laing for 3. Thompson put one in the air which was taken care of by Laing; score, 3, 1. 0. Biddle joined the captain, but runs came very slowly as McGivern was bowling splendidly. At 6:15 time was called; score, 12 runs for one wicket. Play will be resumed at 11 o'clock to-morrow.

WORLD'S RECORD SMASHED.

INDIANAPOLIS, Ind., July 27.—The fourth annual meeting of the Zigzag Club bicycle event took place today at the State fair grounds. The weather was favorable for last time. The most interesting performance was that of Gus Steele and James Love, of Chicago, who broke the world's record for a half mile flying start while pacing Pinky Bliss in his effort to break the mile record. They made the half mile in 58 seconds. Bliss had a strong wind to contend with on the home stretch, and made the mile in 2:03 3-5.

SUMMER RESORTS.

A delightfully cool place to spend the summer in is a dress made from our light-weight Crinkles or Zephyrs. Those who have them pronounce them very cool, very comfortable and very fashionable. That's what everyone wants these warm days. And it doesn't cost much to procure them. You see, although there are yet two months of the summer season, we desire to make a clean sweep of all our light-weight, fluffy summer goods. That's why we say, take our Zephyrs at 18c a yard and our Crinkles at 12½c. It is well known that these lines are worth much more, but that is one more reason why they should be quickly secured. If you don't take them, others will. They have to go. The same may be said of our Duck goods, which the ladies know are very fashionable this season. For those who desire to make up their own outing costumes we have provided Duck by the yard. We are offering a very superior line at 18c, navy blue grounds, spots and stripes. The chief point is to buy right now; that is if you want to make a selection from the different fashionable patterns. They are going fast.

in good condition. Taylor delivered one of his sledgehammer blows which knocked Hicks out. When the sixth round was called Hicks responded, but he was not in it.

THE TROU.

RYLAND BEATS ALL RECORDS.

CLEVELAND, July 27.—A funny old chap is Ryland T., the trotter. But the sports who played against him in the races at Cleveland yesterday are unable to see the humorous side of his nature today. As a usual thing Ryland T. wants to get away back streets, let the field pass him on the weak and then put on a full head of steam and beat them all home. Yesterday he trotted the greatest trotting race in history on the Cleveland course. Lord Clinton was the favorite and Ryland T. had no friends, but he took the bit into his teeth and went around the track like a railroad train, getting under the wire in 2:02½ as easily as if he were a milk wagon.

Next heat, the sports figured, Ryland would be distanced. Lord Clinton went at him faster than before, carrying him to the half in 1:03½. Ryland shot ahead, reaching the three-quarters in 1:36. His leadership gave it up, and then Elard came out of the rack to take the heat from the second leader, but Ryland's blood was up and his heart was strong. They went the last quarter of that fearful mile in 31½, and Ryland was half a length ahead. He had broken the gelding record by three-quarters of a second in the preceding heat, and this time he had pared it down to 2:02½.

The third was another bitter fight, in which Ryland beat Lord Clinton and Elard in 2:08½, the last quarter in 31½. His second mile is the best trotted this year, and his average, 2:08½, puts all previous trotting races in the shade, including those of Directum and Alix. Summary:

THE GRAND CIRCUIT TROT.

CLEVELAND, O., July 27.—Favorites won in all the events at the grand circuit trotting meeting today. The free-for-all pace was the feature of the day, and the knowing ones banked their faith and money upon Robert J. The game little gelding was held back in the first heat, finishing seventh. He pulled up to second place in the second and then won in straight heats. The last half of the third heat was paced in 1:00½ and the mile in 2:05½. Robert J. equalling his best time made at Nashville. Flying Jib behaved badly and was distanced in the second heat. The programme will be finished Saturday with the 2:15 trot and 2:10 pace. It was announced at the track that Robert J. and Mascot would pace a match race at Buffalo next week.

THE DISBANDED TROY CLUB.

The disbanded Troy Club had been losing money for several weeks, and more than \$1,000 in salaries is due the players. The men refused to go on the eastern trip until they were paid. No effort will be made to sell the franchise, but each player will have to shift for himself. Many of them had to telegraph home for money today in order to get out of town. Simon will sign with Syracuse, and Gruber, Donnelly and Sheffield will sign with Buffalo. A number of the players will enter the National League.
