EMPIRE DAY AT BYRON. Empire Day this year was a red letcussing Great Britain with regard to the extent of her dominions and fertility of her resources, as well as her great influence as a civilizing power. In the afternoon a large number of the parents and friends of the children of the school assembled in the senior room and listened to a programme of music and recitations of a national and patriotic character. The event of the day the raising of a large and beautiful flag on a staff placed on the school building. Mr. H. Wickerson, of the trustee board, handled the ropes, while the school lined up outside sang "Raise the Flag" and "It's Only a Small Bit of Bunting." Mr. T. Wells, also of the school board, acted as chairman. The programme was closed after a short speech by Mr. H. Wickerson by the singing of the "National Anthem," and cheers for the Queen. Big Engagement May Take Place Near Johannesburg.

With Possibly One at Laing's Nek-Canadians in the Van of the Advance to Preteria

London, May 25 .- Another advance along the railroad towards Pretoria has brought Lord Roberts' troops to Vredefort road, a few miles north of Prospect, where they arrived at noon on Thursday. In the meanwhile Gen. Methuen is progressing along the southern bank of the Vaal River, with the object possibly, of making a dash at Klerksdorp when he arrives opposite that railroad terminus.

CANADIANS IN THE VAN. Gen. Hutton's column is apparently in the neighborhood of Vredefort, fifteen miles west of the railroad, whence it threatens the federals' left flank.

The next couple of days ought to settle whether Lord Roberts will encounter serious opposition south of the Vaal. But the best opinion believes THE NEXT BIG ENGAGEMENT will be fought just south of Johannesburg, and that the fight there, and possibly one at Laing's Nek, will prove the last pitched battle of the war. street. One of the most important clauses of the auditors' repont, which was submitted by Messrs. The recommendation was also made that a flag be procured for each school. \$30,000 FIRE

Broke Out in No. 3 Company's Armory at Windsor. Windsor, May 25 .- A fire which start-

ed in No. 3 Company's armory in the opera house block, at 4 o'clock yesterday afternoon, burned through the fioor and into one of the warerooms of Joseph Applebee & Co., before it was discovered. The fire department was soon on the scene and extinguished the blaze, but the flooding of the stores underneath did probably \$30,000 worth of damage. The whole upper story was flooded and the water poured through the floors in torrents into M. Rochford's hotel. Joseph Applebee & Co.'s dry-goods store and J. M. Duck's grocery. Mr. Applebee was in Detroit at the time, and he did not return home until after the fire was over. He said that he could not estimate the damage, but that all the goods in the store had been soaked with water. The contents of one room were burned almost entirely and the carpet department was damaged. He was carrying a \$50,000 stock and has an insurance of \$25,000. back part of Rochford's hotel was flooded with water and the proprietor places his loss at \$500, which is covered by insurance. J. M. Duck said that his loss would reach about \$1,000 on the stock, which is insured.

It is supposed that the fire was caused by some of the soldiers dropping a lighted cigar in the armory before leaving for Leamington. Most of the clothing and accoutrements of the company were out of the room and the loss will be slight. Smith & Revell had their dental parlors in the front part of the building damaged by water. The building is owned by Mayor Davis, and, as he is out of the city, his exact loss could not be ascertained. It is known that there was some insurance.

The Musical Society Band, led by Fred L. Evans, will provide music both in the afternoon and evening for those who make the cheap and pleasant trip to Springbank.
