

The Masses and the Classes Use and Praise Per-una

A Fruit-Grower's Letter.

W. E. Birch, fruit grower, Afton, Va., writes:

"My wife was very much run down and out of sorts every way. She had female weakness and was very weak, nervous, and had no appetite. I tried her on everything I could think of, but she would not touch a thing—could not eat strawberries, even. I saw Peruna in my father's store one day, and after reading the printed matter on the bottle, decided to have my wife try it. Before she had taken half of the bottle she commenced to eat, and now she is hungry all the time. We both agree that it beats any medicine to bring an appetite and put the nerves in good shape that we have ever had anything to do with."

An Old Man's Letter.

Mr. Isaac Brock, of McLennan county, Tex., has attained the great age of 111 years. He speaks as follows of Peruna:

"After a man has lived in the world as long as I have he ought to have found out a great many things by experience. I think I have done so. One of the things I have found out to my entire satisfaction is the proper remedy for ailments due directly to the effects of the climate. For 111 years I have witnessed the changeable climate of the United States. During my long life I have known a great many remedies for coughs, colds, catarrh and diarrhoea. I had always supposed these affections to be different diseases. For the last ten or fifteen years I have been reading Dr. Hartman's books and have learned from them one thing in particular: that these affections are the same, and that they are properly called catarrh. As for Dr. Hartman's remedy, Peruna, I have found it to be the best, if not the only reliable remedy for these affections. It has been my stand-by for many years, and I attribute my good health and my extreme age to this remedy."—Mr. Isaac Brock.

A College Man's Letter.

Mr. Clyde W. Wells, Hiram, Ohio, manager of the Hiram College basketball team. In 1901, defeated Yale in 1901, writes:

"Close application to my books in order to pass a creditable examination, with extra work in connection with socials and clubs, told on my constitution last spring. I had constant headache and that tired feeling when nothing in the world seemed right. One of the professors advised me to try Peruna, and I am glad that I did so, for it soon acted as a splendid nerve tonic and restorer to my fatigued out system."—C. W. Wells.

U. S. Senator's Letter.

Senator W. V. Sullivan, United States Senator from Mississippi, in a letter recently written to Dr. Hartman, says the following of Peruna as a catarrh remedy:

"For some time I have been a sufferer from catarrh in its most insidious stage, so much so that I became alarmed as to my general health. But, hearing of Peruna as a good remedy, I gave it a fair trial and soon began to improve. Its effects were distinctly beneficial, removing the annoying symptoms, and was particularly good as a tonic."—Hon. W. V. Sullivan.

A Pastor's Letter.

Rev. S. H. Renfro, of Norborne, Mo., had running ears. He says:

"My head gathered and broke and my ears ran so much so that I became alarmed as to my general health. But, hearing of Peruna as a good remedy, I gave it a fair trial and soon began to improve. Its effects were distinctly beneficial, removing the annoying symptoms, and was particularly good as a tonic."—Hon. W. V. Sullivan.

Mr. Henry Wesseler, Wacousta, Mich., writes:

"About two months ago we wrote you for advice for our little girl. She was in a very bad condition then. We gave her two bottles of Peruna and she is well now, which we feel very thankful for. She had catarrh of the nose, which caused an offensive discharge and bad breath."

In a few weeks I began to feel a change, and in less than three months I was completely cured, and have had no trouble in that direction since."—Otto Engelard.

A Housewife's Letter.

Mrs. Maggie Franks, 617 Main street, Greenville, Miss., writes:

"I was troubled for a number of years with systematic catarrh. I had almost constant pain in my side, stomach, a bad cough, caught cold very easily, and felt nervous and tired all the time. Peruna has made me a healthy, strong woman. I improved strength and flesh rapidly after beginning your medicine, and can now do more work and not feel it than I have done for years."—Maggie Franks.

A School Teacher's Letter.

A Mother's Letter.

Mr. Z. L. H. Burns, Chaplain of Lincoln Lodge, Sons of St. George, writes from Benton, Ind.:

"I do not know just how Peruna is made, but I do know there is as much difference in effect in using Peruna and any other medicine as there is between night and day. Every dose seems to instill life and health. I have been troubled with catarrh of the head for years, also with influenza. But it is all gone. Peruna seemed to cure it in an incredibly short time. I only wish I knew how to send you my own and my baby's picture. She is so sweet and good, she is a Peruna baby. I have such good health now. I do all my household and take care of my baby and feel so good."

A Cavalryman's Letter.

Anton J. Frank, Captain of the 12th Ohio Cavalry, Company D, writes from 837 Lincoln avenue, Chicago, Ill.:

"No praise bestowed upon Peruna could be too high. I suffered for years with a complication of troubles of the pelvic organs from exposure in the army, and could find no relief until I tried Peruna. A Traveler's Letter.

J. Edward Clark, 402 Temple street, Los Angeles, Cal., writes:

"I fully believe Peruna saved my life. About two years ago, after returning from Alaska I was taken with Catarrh of the stomach and in fact of the whole system. My stomach failed me, as nothing I ate seemed to do me any good, but always gave me pains and belching of gas. My kidneys got sore and weak, I had palpitation of the heart, my lungs were sore, and it was difficult to draw a long breath. I also had fainting spells, and while walking was afraid I might fall to the sidewalk. I also had to get up at night and sit in a chair to keep from smothering. My legs and arms pained me most of the time, my feet were cold on the hottest day, my tongue was coated, I had chills from my head to my feet. I was weak and had very little life and everything looked dark to me, and often wished for the end. "I took all kinds of medicine—do not think there is a drug store in this city that I did not get some truck from. I also used vapor baths, dieted, drank all the mineral waters, had many consultations with two of the best doctors of this city, used their prescriptions, but all seemed of no use. "After months of this kind of work I fully made up my mind to try Peruna, and thank God for it, as I had not used over two bottles until I felt a change, and have been getting better ever since, and now I am well and strong. All my friends tell me how well I look. Let me say to those who are sick, try Peruna, if you have any of my symptoms, it will cure you. Don't expect to be cured by one bottle, but stick to it until cured."—J. Edward Clark.

A Fireman's Letter.

Mr. John Sweeting, Captain Fire Department of Evanston, Ill., says:

"Some time ago we had such continual hard service that I, as well as my men, was completely exhausted and felt my nerves give way. One of our men had tried Peruna a couple of years ago, and he advised us to try it. We did so and found the change simply marvelous. A dose seemed better than a meal, and in ten days we were all feeling fine."—John Sweeting.

"After having used several remedies for indigestion with no beneficial results, I was induced by a friend of mine to try Peruna, and I gladly say that it performed a positive cure. I have lately recommended it to several of my acquaintances, as I firmly believe that it is all that is claimed for it."—Wm. S. Selig.

A Young Mother's Letter.

Mrs. W. McRoberts, writes to Dr. Hartman from Delano, Minn., the following:

"I feel perfectly well of catarrh. I did as you directed me and took Peruna and Manalin. The third of March I gave birth to a ten-pound baby girl, and we are both well and happy. I am very thankful to you, and Peruna saved my life. I recommend it to everyone, and can't praise it enough. "I have tried Peruna and found it a very fine remedy for all catarrhal troubles. I have been troubled for over five years with catarrh, which started in my head and ended in my stomach, and after using only six bottles of Peruna I was completely cured."—Jas. B. Curtis.
