Well-Known Winnipeg Horseman Bought a Fine One. Detective Sold for \$5,000.

Direct, a fine colt, but one of the "alsorans" in the Kentucky Derby, copped at Louisville on Monday by Wintergreen, is owned by a Canadian well known by horsemen throughout the country, Mr. Rod McKenzie, of Winnipeg.

The horse, one of the Kirkfield stable string, is entered in many of the big stake events, and was purchased this spring by Mr. McKenzie.

Detective Sold.

The New York Telegraph says of Detective, one of the best known horses in the racing game: "Detective, the 3-year-old son of Meddler and Admiration, has been sold by Matt Allen to Charles Boyle, the Canadian turfman. Negotiations have been under way for the purchase for some time, and yesterday they were completed for a reported price of \$5,000. As prices go now, that would be considered a good figure, but Boyle undoubtedly has secured a bargain. He was only started three times as a 2-year-old, and his last race in the fall he finished a good second to Wallflower in a big field of maidens, many of whom have since won repeatedly. Bred as he is, Detective should be a wonderfully good colt to race through Canada, and, in fact, he was well enough throught of to be nominated in most of the big 3-year-old fixtures, for which he is still eligible. This spring Allen has been sending him along with District Attorney and the older horse Fountainblue, and he was one of the most impressive 3-year-olds at the Gravesend track. The purchase was made for Mr. Boyle by Charles Littlefield, and the colt will be shipped to Canada within a few days."
