Life and Character Reading.

SEPTEMBER 6. The governing planet of this date the winged god, Mercury. The gn is Virgo and the birthstone a is the winged god, Mercury. The sign is Virgo and the birthstone a pink jasper.

People of this birthdate have natural impulses which are very materialistic and their deductions are usually drawn from the external, material side of things. Once they cross the threshold of the spiritual domain, they make rapid progress and soon comprehend the principles of soul and spirit, becoming true teachers of the philosophy of human life and the immortality of the soul.

Virgo people are usually middle or tallish of stature, well formed, with oval faces, a musical voice and very elegant manners.

Bookkeepers, stenographers, clerks and agents will do well to use the Want Ads daily this next week, because they will have splendid opportunities of bettering themselves.
