

The Bridge to the British Market

The Victory Loan is a bridge over which the farmers of Canada drive their hogs, their cattle, their grain and all their surplus crops to the profitable British market.

For, the money raised by the Victory Loan enables Canada to give credit to Great Britain. And only by means of that credit can Great Britain buy the products of Canada's farms.

Therefore, when you come forward at your country's call and loyally lend your money that Canada may continue her vigorous prosecution of the war, you are also benefitting your-

self and the whole farming community.

It is the duty of every earnest Canadian not only to invest heavily in Victory Bonds 1918, but to work among his neighbors to make the loan a success.

Before the subscription lists close, every man should realize the sterling character of the investment; the good interest return of 5½%; the undoubted security offered in the Bonds of this wealthy nation; and the vital importance to all classes of people, particularly to the farmers, of the Victory Loan 1918.

SUNDAY SCHOOLS OF CANADA

UNITE TO HELP

VICTORY LOAN

BY WAR MEMORIAL

ONE MILLION SCHOLARS! ONE MILLION DOLLARS!

A million Sunday School scholars and members of Young People's Associations of the Anglican, Presbyterian, Baptist, Methodist and Congregational Churches are co-operating on a plan which has the three-fold purpose of helping to boost the Victory Loan Over the Top; assisting the Churches to extend their mission work and commemorating the heroism of church members who have fallen at the Front.

"Every School at least one bond" is the cry that will help to carry the 1918 Victory Loan to the Sunday Schools' million dollar objective. Above is a reproduction of the shield to be presented to each Sunday School subscribing a bond.
