

**SOMEBODY'S DARLING**

Into a ward of the whitewashed halls,  
Where the dead and the dying lay,  
Wounded by bayonets, shells and balls,  
Somebody's darling was borne one  
day.  
Somebody's darling! so young and so  
brave!  
Wearing still on his pale sweet  
face—  
Soon to be hid by the dust of the grave  
The lingering light of his boyhood's  
grace.

Matted and damp are the curls of  
gold  
Kissing the snow of that fair young  
brow;  
Pale are the lips of delicate mould,  
Somebody's darling is dying now,  
Back from the beautiful blue-veined  
brow  
Brush every wandering silken thread  
Cross his hands on his bosom now,  
Somebody's darling is still and dead.

Kiss him once for somebody's sake;  
Murmur a prayer, both soft and  
low;  
One bright curl from its fair mates  
take—  
They were somebody's pride, you  
know.  
Somebody's hand has rested there;  
Was it a mother's soft and white?  
Or have the lips of a sister fair  
Been baptized in those waves of  
light.

God knows best. He was somebody's  
love;  
Somebody's heart enshrined him  
there—  
Somebody waited his name above,  
Night and morn on the wings of  
prayer.  
Somebody wept when he marched  
away,  
Looking so handsome, brave, and  
grand;  
Somebody's kiss on his forehead lay,  
Somebody clung to his parting hand.

Somebody's watching and waiting  
for him,  
Yearning to hold him again to her  
heart.  
And there he lies—with his blue  
eyes dim,  
And the smiling, child-like lips  
apart  
Tenderly bury the fair young dead,  
Pausing to drop on his grave a  
tear;  
Carve on the wooden slab o'er his  
head,  
"Somebody's darling glumbers here!"

**FOR THE MEN AT THE FRONT**

Note.—This is one of many hymns of  
John Oxenham, bearing upon the war.  
More than four millions of it have been  
sold and the profits given to various  
funds for the wounded. It is now being  
sung all round the world.

Lord God of Hosts, whose mighty  
hand  
Dominion holds on sea and land,  
In Peace and War Thy will we see  
Shaping the larger liberty,  
Nations may rise and nations fall,  
Thy Changeless Purpose rules  
them all.

When Death flies swift on wave or  
field,  
Be Thou a sure defence and shield!  
Console and succor those who fall,  
And help and hearten each and all.  
O, hear a people's prayer for those  
Who fearless face their country's  
foes!

For those who weak and broken lie,  
In weariness and agony,  
Great Healer, to their beds of pain,  
Come, touch, and make them whole  
again!  
O, hear a people's prayers and  
bless  
Thy servants in this hour of  
stress!

For those to whom the call shall come  
We pray Thy tender welcome home,  
The toil, the bitterness, all past,  
We trust them to Thy Love at last.  
O, hear a people's prayer for all  
Who, nobly striving, nobly fall.

To every stricken heart and home,  
O, come in tenderest pity, come!  
To anxious souls who wait in fear,  
Be Thou most wonderfully near!  
And hear a people's prayers for  
faith  
To quicken life and conquer death.

To those who minister and heal,  
And spend themselves, their strength,  
their zeal,  
Renew their hearts with Christ-like  
faith,  
And guard them from disease and  
death,  
And, in Thine own good time, Lord  
send  
Thy Peace on earth till time shall  
end.

# For 3 Weeks Only Shares Carrying a 20 per cent. Guaranteed Cash Dividend Will Sell at 95 Cents Each

## Island Pelts Bring the Highest Prices.

In spite of the "World-War" and the fact that the European markets are practically cut off, Silver Black Fox Pelts are bringing big prices, and Prince Edward Island skins head the whole list.

An enquiry addressed to Messrs. Funsten Bros. & Co., St. Louis, brought the following reply:

"In response to your letter of April 6th, 1916, will say that Fox Pelt No. 43 sold for One Thousand Five Hundred Dollars (\$1,500.00) in our recent March Sales, was a Prince Edward Island Fox."

This is not supposition, but clear, cold, convincing proof, and gives some slight idea of what may be realized by efficiently managed companies with low capitalization like the **Security Company**.

**AT LAST**—A Company on a strong business-like basis, with the highest quality of stock procurable and the lowest possible capitalization—a company organized with the object of paying big dividends on a pelt basis and bigger dividends on a breeding stock basis.

This is a "Ground flour" proposition that will be offered at the present price for 4 weeks only.

Every share of stock is backed by a 20 p. c. guaranteed dividend with the money in the Bank now to pay every cent of it.

Not a feature has been overlooked—not a factor lost sight of—every phase has been carefully considered. It is the strongest, cleanest, most attractive proposition yet advertised in this paper.

There is but a limited quantity of the stock offered for public subscription—and this allotment is offered for 4 weeks only.

Make application for the amount you want at once. Don't subscribe for more or less than you can conveniently take care of, but don't let this opportunity get away from you.

Shares carrying a 20 p. c. guaranteed cash dividends selling for a short time only at 95 cents.

## Big Dividends Should Be Paid This Year.

While many Fox Companies have paid cash dividends last year the majority of them placed their production back in the ranches in order to reduce the capitalization, so that they could pay good dividends on a pelt basis. This was a commendable course to take, and as a result, commencing with the present year liberal cash dividends should be paid by competently managed Companies, and the industry will be thereby placed upon a stable and permanent basis.

In the meantime it is the investor who secures stock in a good Company while the price is right, who is going to clean up the most money.

The opportune time is NOW—The Company is **SECURITY**.

# "GET IN" BEFORE THE PRICE OF SHARES SOAR!

## Security Company Shares are on the Market for a Few Days Only

Shares in the **Security Company** with the guaranteed cash dividend will be offered for a few days only. Offer will positively be withdrawn in a month's time. Act now if you want to become a shareholder in this progressive, lowly capitalized Company with the highest quality of stock at the capitalization of the **Security Company**—never were the assurances of permanent future earnings better—brighter—surer.

If you want to double and triple the earning power of your money send in your application at once for shares in the **Security Company** or send for prospectus by return mail.

The present of all years since the inception of the Fox Industry is the time to invest in the business, when the prices are the lowest of the low on the highest quality pedigreed stock—when an absolute guaranteed dividend of 20 per cent cash is offered. Could anything be surer—could anything be safer?

When the price is the highest is not the time to buy. The reason the pioneers have accumulated such fabulous wealth is because they became interested in the industry when the prices were low. This is the small investor's chance. The chance to buy right is here. Never would your money go further in a good legitimate investment proposition than it will go right now in the **Security Company** with its **Guaranteed Cash Dividend**.

## Only a Small Amount of Stock Offered

The object being a close corporation for the Directors and a few of their personal friends. That is why there are so many attractive features connected with the proposition.

It was realized later that by adding a few extra foxes to the Company the law of average could be more accurately estimated and the proposition would be more attractive to all concerned.

This is the only reason that you can now procure stock at the present price. It is for you to act without delay if you wish to become a shareholder in the most promising money-earning proposition that has yet been placed on the market.

## BUY WHILE PRICES ARE LOW AND TAKE ADVANTAGE OF ADVANCES—THIS IS YOUR OPPORTUNITY

The shrewd financier buys when prices are at rock bottom, and sells (if he sells at all) when prices reach the highest point. This is the principle that has made millions for men, and a principle that applies effectively right now. After shares in the **SECURITY COMPANY** have advanced from 95c to \$1.50, \$2.00, \$3.00 or \$5.00 is not the right time to buy, but the right time is **RIGHT NOW** while shares may be procured at 95c—while the price is at "rock bottom," and be in a position to benefit by any advances in price. The directors are so confident that the **Security Company** will be a big dividend earning proposition that they intend to retain a large block of stock and to sell only sufficient to conveniently finance the company.

## Directors of Security Company

The Directors are business men who have "made good" in practically everything they have undertaken. They have been successful in business—they have been successful in outside enterprises; and they have invested heavily in the **Security Company**, because they are convinced that it will be no exception to the rule.
