

Stock Notes—Continued.

MR. H. B. JEFFS, Bond Head, reports: I have sold all my yearling and two-year-old bulls, and have left only the calves of about nine and ten months old. They and my yearling and two-year-old heifers are doing very well, considering the short pastures. I have just purchased a young stock bull, *Crimson Warfare*, from Messrs. T. A. Lewis & Sons, of Newmarket. He is descended from Mr. Arthur Johnston's stock, and promises to be something extra. Berkshires are doing well; they are descended from stock bred by Mr. Snell. I have a fine lot of Southdown rams, descended from Mr. John Jackson's World's Fair stock. The crop of lambs has been exceedingly good. I raised twins from every ewe.

Cherry Grove Stock Farm

We have for sale this year seven choice young bulls and a number of heifers, sired by our stock bull, *Royal Lavender*, by Indian Chief (imp.). These are of superior blood and quality. Call or write.

Where?

When choosing a home this important question is frequently asked. There are thousands of acres of land on the line of the Chicago, Milwaukee, and St. Paul Railway in South and North Dakota that are available.

These valuable farms are located in various beautiful rural districts, convenient to churches and schools. Besides being situated where good markets are of easy access, the soil yields an abundant crop each year. While the natural advantages are many and important, the facilities for the transportation of farm products are ample. The climate is healthy, the water good and abundant.

Prices are most favorable for those wishing to secure desirable homes. The outlook is in the direction of a rapid increase in values, thus rendering this a most opportune time to invest. It is evident that no luckier chance has been obtainable in the West than may be had at the present. The advantages of going with the tide, especially when locating in a new country, are of great moment. Now is the time to secure bargains and make a fortune in the West.

Havergal Hall

350 Jarvis St., TORONTO.

A Church of England Ladies' College

LADY PRINCIPAL—MISS KNOX.

HAVERGAL HALL was opened in September, 1894. It was felt that there was a need for a first-class school for young ladies that should combine a thorough intellectual culture with the best religious influences. The school has been most successful; its attendance is larger than could reasonably have been expected; and, in addition to the main building originally occupied, two adjacent buildings have had to be secured to provide a sufficient accommodation for the pupils constantly seeking admittance.

The Aim of the School

The promoters have not founded the school to make money, but to supply what they believe to be a great need. Parents are anxious to secure for their daughters a school that will furnish the two elements of thorough culture and wholesome religious influences. The Board of Havergal Hall will be satisfied only with a training equal to that of the best schools for young ladies.

The Lady Principal

In establishing the school, everything depended upon the choice of a Lady Principal; and, to be abreast of the vast improvements in ladies' education made of late years in England, the Board of Management determined to choose an experienced lady there. Miss Knox, the Lady Principal, comes to Canada with an experience as a teacher in the best ladies' college in England—the Cheltenham Ladies' College—and also with a knowledge of the best German methods of education. The Board, therefore, have been extremely fortunate in securing her services. She is fully qualified by her training at Oxford to be the leader in the intellectual life of the school; and she has also the even more important qualification of high Christian character.

Resident Teachers

The staff of teachers resident in the school will be found fully competent. The Board, recognizing the importance of having upon the staff teachers of English training and experience, are making their appointments with reference to that consideration.

Instruction in Special Subjects

The facilities for instruction in Foreign Languages, the Ancient Classics, Mathematics and Physics, and in Instrumental Music, Singing, Painting, Drawing, Elocution, and Physical Culture, are excellent. German is taught by Miss Langé, late head of Modern Language Department of the High School, Oxford, England, and Frau Dr. Hostetter; French by Miss Langé and Mons. Queneau; Italian by Signor Sacco; Latin and Greek by the Lady Principal. Mathematics and the Sciences are taught by able specialists. Instrumental music is under the charge of some of the most distinguished teachers in Toronto, including Mr. H. M. Field, Mrs. Edgar Jarvis, Miss Dallas, Miss Canniff, Miss Gunther, and others. Vocal music is in charge of Mr. W. H. Robinson, assisted by Miss Hessin. Pupils in Painting and Drawing have the advantage of being under the personal instruction of the well-known artist, Mr. E. Wyly Grier; while Elocution is taught by Mr. H. N. Shaw; and Delsarte and Physical Culture are under the care of Miss Matthews. Special courses are provided in many other subjects.

Terms and Fees

Particulars as to Terms, Fees, etc., are detailed in the School Announcement, which may be had on application. Considering the superior advantages which the school offers to its patrons, the fees are moderate. For admission, and for all further information, address the LADY PRINCIPAL, 350 Jarvis Street, or
