

NIAGARA DISTRICT
FRUIT GROWERS' STOCK CO.
LIMITED.

CIRCULAR.

Grimsby, Ontario, October 15th, 1884.

DEAR SIR,—The above Company having decided to keep their Toronto agency open the coming winter, and having secured ample storage for Fruit, etc., would respectfully solicit your consignments of

Apples,
Dried Fruits,
Butter, Cheese,
Eggs, Pork,
Lard, Poultry,
Honey,

Or any kind of Farm Produce, you may have to sell on commission.

Our Agent, J. W. HARE, having been several years in the business in Toronto, has secured the best trade of the City, and we feel confident that we can in the future do what we have done in the past—give general satisfaction to our customers. In view of our increasing business (which has nearly doubled during the past season), we have increased the Subscribed Capital Stock of our Company \$3,000, which places us, with our former capital, on a financial basis at least superior to any individual commission man.

We feel confident from our experience of the past years, that our system of doing business in sending accounts of sales to shippers as soon as the goods are sold, and prompt remittance every two weeks, will secure to us the patronage we so justly deserve.

Cheques will be issued every second Monday on the Imperial Bank of Canada, St. Catharines, in full of all accounts of sales received up to Saturday night previous. Cheques will be marked payable at par in Hamilton or Toronto for the convenience of shippers in the vicinity of either of the above-named places. Those wishing their cheques marked as above stated will please notify the Secretary, Mr. James W. G. Nelles, Grimsby.

Winter Apples stored upon reasonable terms, and especial attention given to their sale during the winter.
