

## HOW YOU CAN INCREASE YOUR ORE VALUES

If your ore concentrates contain iron pyrites, our Magnetic Separator will extract the iron, thus making the concentrates much more valuable. Send us a sample of your ore, and we will test some gratis.

We want to send you catalog "H." Ask for it.

## THE MURPHY

AIR HAMMER ROCK DRILL

Does 5 Men's Work.

Greenville, Calif.,  
Dec. 2nd, 1905.

Gentlemen—  
Regarding the Murphy Drills which you furnished, we would state that it gives us great pleasure to recommend them. They do all you claimed for them, and more. In our hard quartz we are drilling  $1\frac{1}{2}$  in. per minute, in fact we drill  $11\frac{1}{2}$  ft. of holes in 1 hour and 30 minutes. Each drill is doing the work of five singlejack miners. We regard them as one of the best investments we ever made.

We remain,  
Yours very truly,

Droege Bros. Mining &  
Reduction Co.  
(Signed)  
per Wm. J. Droege.

### STRICTLY A ONE-MAN DRILL.

No weak or complicated parts to get out of order. Only five parts to the Murphy Drill. The sponge attachment overcomes dust. Write for catalogue No. 8.
